March, 2022 Edition

Hello Fellow Shellers!

Well, I don't know about you, but I personally think our shell show was a big success this year! I can't wait to see the final financial report to see how it compares to previous years. Everyone had a great time and there were so many beautiful exhibits. I spent way too much money at Duane's table and the other vendors. I may have to work another year to pay for it all!

Our last field trips are coming up soon, so see inside for the information you need for field trips. This issue also contains a list of the candidates for our upcoming Board election in April. Please look through the candidates and decide if you see any problems or conflicts.

Our end-of-year picnic will be Sunday, May 1st (May Day!) at Coquina Beach. Please reserve a spot now for your picnic lunch. We will have more information about the food and pricing at the March general meeting.

Please let us (the Board) know how we are doing and give us any suggestions you may have for changes to improve our club.

See you soon!
Sally Peppitoni
President

Peanut Island - Sunday, March 2, 2022 (Please note this was changed from March 20th!)

Peanut Island is a unique location on Florida's Atlantic Coast. The island is operated as a city park by Palm Beach and is accessible by ferry. Many species found here are uncommon on the Gulf Coast, or anywhere else in Florida for that matter, including Caribbean Fighting Conchs, Partridge Tuns, and Distorsios. Wading and snorkeling increase your chances of locating rare finds. The negative tide is at 4:33 pm, so you may want to bring your tent and reserve a camping spot, allowing you to take advantage of the 5:05 am negative tide on Monday. Don't miss the nearby Flagler Museum if you have the chance. **See more information on pages 14 and 15 in the February's *The Beauii*.**

Fossil Trip - Silent Auction at the Schmelz's Saturday, March 12, 2022

In leu of a fossil pit exploration this trip offers a chance to acquire choice fossil specimens from the collection of paleontologist, Gary Schmelz (Naples, FL). We will meet at a predetermined place and move onto Gary's home where the silent auction will be held. After that we will have chance to move on to the new Marco Island Museum and then for a neat lunch at the Little Bar restaurant in Goodland. There is no cost to the trip (except the fuel). Since we need to know how many are going a sign-up is necessary. If you would like to attend let the Editor know at rbopp1@tam-pabay.rr.com . **Contact Ron soon as only 20 spots are available and 11 of them are spoken for. The sign-up sheet will be at the March meeting!**

Historian's Report

50 Years Ago

The March 9, 1972 meeting of the Club was held with 27 members and guests in attendance. The treasurer's report showed a balance of \$1477.87.

The Show had a small loss of \$4.87. This was largely due to 150 less admissions than the previous year. In response the President made these comments. "Since the purpose of having a Shell Show is to stimulate interest in shells and further the knowledge of them as well as the enjoyment of sharing your exhibited collections with others, it is not a matter of making money so much as it is to have funds to continue this education and enjoyment each year."

The President asked for volunteers for a nominating committee. She noted also that the club needed "new blood and energy." No one volunteered. A second request letter in the meeting also generated no volunteers.

The program of colored slides was given by Beatrice Albert of St. Petersburg. She reported on shelling on Okinawa. The minutes note the program was "enjoyable."

25 Years Ago

The Club meeting on March 13, 1997 was called to order with 18 in attendance. The balance in the treasury was \$6467.26. It was reported that the Shell Show made a "good profit (\$1979.91)." This despite the fact that the Sarasota Herald club article was bumped and appeared a week after the show.

Terry Raymond gave the program on "The History of Conchology as seen through Old Books."

Bon appetit Buon appetite Meshigare Guten appetit

A first for Sarasota Shell Club and the gourmands in our group. On March 22, 2022, we will host a gourmet, "hands on" cooking class at Publix Aprons Cooking School, located at Publix Supermarket, 2875 University Pkwy, Sarasota. Class will begin at 2:00P.M. as an interactive learning environment. Due to this, space will be limited, so sign up early. Sign-ups are all online. Type in Publix Aprons Cooking School, click on Sarasota, a calendar will pop-up, go to March 22nd, click, and sign up. Payment is made on line directly to Publix Aprons Cooking School with an event fee. The cost includes all instruction, food, wine, and equipment needed.

Our menu is;

Bacon-Porcini Pate Crostini with Apricot Chutney

Oysters-we will be shocking

Duck Breast Roulades with Fig and Port Reduction and Grilled Asparagus

Classic Chocolate Mousse

Wines will be served with each course, so everyone MUST be over the age of 21.

Cost is \$60.00pp plus an event fee is \$3.99 for a total of \$63.99.

Reservations are on a first-come, first-served basis. There will be a sign-up sheet at our meetings, simply for a reminder email to be sent. Cancellations must be made 72 hours in advance of the class for a refund. If you have any questions, contact Carol Mae at carolmae@gmail.com

In Memoriam . . .

Bernie Peterson

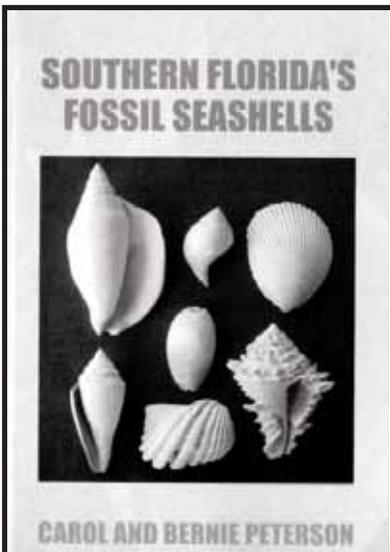

Former Sarasota Shell Club member, Bernie Peterson, passed away on February 25, 2022 after a protracted illness at the age of 73. After community college he worked for 43 years at Rockledge Gardens Nursery, Rockledge Florida.

Bernie Peterson admiring an echinoid collection at Florida State University.

Bernie and Carol traveled the state looking for fossil shells and echinoids. He was most passionate, however, about echinoids. Two fossil echinoids we named after the Petersons, *Clypeaster petersonorum* & *Kionaster petersonae*.

Bernie was passionate about several things including carving and especially fossil shells and echinoids. He and his wife, Carol, authored and produced a popular Florida fossil book, *Southern Florida's Fossil Seashells*. This was a reference your editor cut his teeth on (so to speak) learning about fossil seashells.

Kionaster petersonae

Bernie was a gentle giant—standing 6'5" he towered over most he meant, including his wife, Carol. He was as kind a person you could have ever meant as well as generous. Mary Jo and your Editor enjoyed several float trips with Bernie and Carol on the Chipola River and Caloosahatchee Rivers searching for fossils. Bernie's knowledge and generosity was overwhelming.

Rest in piece, Bernie. A celebration of life is planned in the future.

Business Card Advertisements

Business cards (shell-related) may be used as advertising at a rate of \$25.00 per club year (up to nine issues). If you wish your business card to appear in each issue of *The Beauii*, please send it, along with a check (for \$25.00), made out to the Sarasota Shell Club, to the Editor, 2608 67th St. W, Bradenton, FL 34209.

To clarify, the \$25.00 pays for your card to appear in each issue of the 2021 - 2022 *The Beauii*.

Classified Ads

Classified advertising rates (per issue): \$10.00 per ad (non-Sarasota Shell Club member, \$20 per ad). Ads will be no more than 35 words per ad, the first few words in **bold print** (see example below). Ads shall be limited to shell or shell-related material.

All classified ad material plus payment (a check made out to Sarasota Shell Club) should be mailed two weeks before the upcoming issue (to be sure it is included in that issue) to the Editor at 2608 67th St. W, Bradenton, FL 34209.
