Is there just one God? ...Who is God? ... What is God like? ... Does God love me? ... Can I know God?

Our kids grapple with questions like these every day. At Mystery Island, we'll uncover the truth about our Creator God! There's a sea of confusion about who God is and what he's like, so we'll track down the one true God and learn how amazing he is through the pages of Scripture.

Mystery Island VBS is packed with teaching that connects the Bible to the real world and gives kids a better understanding of our awe-inspiring Creator and the salvation he offers through Jesus Christ.

Each day, kids will learn more about one of God's amazing attributes (great, almighty, ruler, Emmanuel and trustworthy) and how that applies to their lives.

Grab your sunscreen and get ready for a taste of paradise and you track down the one true God at Mystery Island.
