

Financial Statement & Pickup Information

- We **do not** accept personal checks. We accept payments in the form of cash, cashier's check, debit card, and all major credit cards. When using a debit or credit card, there is a 3.5% processing fee added to the total charge.
- You will be notified in advance of your product pick-up date. From that date you will have a 3-business day grace period to pick up. Starting on the 4th day, failure to pick up will result in a \$25 per day fee for a maximum of seven days. After seven days, your products will be sold to cover our expenses.
- All products will be frozen, and vacuum sealed unless otherwise noted on your cut sheet.
- Please bring your own containers to transport your product home. If needed, we will have boxes available for purchase on site.
- Animals processed under USDA inspection will be reviewed by the inspector for pathological disorders and diseases. We are not responsible for losses mandated by the USDA and do not offer refunds for condemned animals.
- Antibiotic residue is not acceptable under USDA regulations. If you have given your animal antibiotics, please notify our office so that we can make other arrangements with your appointment to allow for necessary withdrawal times to occur.

✓ **I agree to all the above listed terms in the processing consent form for Anderson Meats and Processing.**
