We remember the foundational principles upon which our faith is built. We honor all of the many traditions which Science of Mind has used as springboards, and delve into the deep truth behind all of these teachings: all is one, and always has been.

Sacred Covenant

There is only One Life. That Life
is God's Life. That Life is Perfect.
That Life is my life now.

In knowing that I am one with
this Life, I know that I am one
with all of Its blessed expressions
which include the presence of a
new minister for my beloved
spiritual community.

Because I know that the Highest Purpose of my new minister is to express God, I therefore know that my new minister reveals Wholeness. I further know that my new minister is the fulfillment of that which we believe, for it is written:

**Let us learn to draw the Divine Substance down into our own
lives and, as freely as It has been given to us, let us give It to
others. Thus alone shall we be made Whole. (Ernest Holmes)**

As I stand in agreement with my beloved community, I see my new minister revealed before me as growing the Center in Joy and Prosperity.

I now intend to experience my new minister in full cooperation and agreement with my Community, knowing the Truth about myself, for...

- I live the Presence and Law of God.
- I demonstrate Wisdom through a mature understanding of the Wholeness of Life.
- I am accountable and willing to take full responsibility for my actions.
- I participate in and support the nurturance and guidance of the community.
- I act from Wholeness and congruence in thought, word and action; I "walk the talk".
- I embrace.... [express your personal Truth here].

I now accept the highest expression of a new minister into my life, knowing that they are revealed in a way that expresses God and serves the highest and greatest good for all who are touched by their presence.

I am grateful!
And so it is. Amen.
