

Nūpepa ‘o Hui Aloha ‘Āina

Anniversary Edition

Malaki 12, 2021

He Mahi‘ai Au I am a farmer

We couldn't call ourselves Aloha ‘Āina and not help diversify the economy through caring for the land. We also could not use that phrase without making sure the voice of the people has been heard. With that being said, we are going to help you make a farm that will get you back on the ‘āina. This is not a Hawaiian only program, is open to everyone, and you can benefit from this program instead of being stuck as a renter in the city.

If you are wondering how that is going to happen, think about your past, your present and your future, then visit [this link here](#).

Nūpepa ‘o Hui Aloha ‘Āina

Anniversary Edition

Malaki 12, 2021

The Aloha ‘Āina Party survived its first year as a political party, during one of the most Harsh political seasons known to the world. Enough people believed in us, that we Will be the change, that our party survived its first year as a party, while running its First set of candidates. March 12, 2020 was the first day of the beginning of our solutions.

Growing With You

The Aloha ‘Āina Party is a party that stands with the people, in a true light of representation of what matters to the people. We do not work hard for corporate happiness. Our party is made by humans with needs and our voters are humans with needs. Our job is to eliminate the growth of the need and simply grow with you.

Ka ma‘i ikiiki ‘owaikū

Hawaiian word for Covid

Our Hawaiian language is alive. It continues to grow in modernization just as we continue to grow together.

"Now standing in the gap for those without a voice, those without equality. Looking to govern from the bottom up, so assure that no stone was left unturned in the quest for solutions."
