

# VTCT Level 2 Provide facial skincare

Provide facial skincare course will enable you to start treating as soon as you are qualified. As soon as you've booked your place, we'll send your online e-portfolio details by email so you can start the course straight away. This will enable you to start learning the theory at your own pace, upload your assignment and prepare you for the practical day at the School. We have a 100% pass rate for students, so rest assured that we'd provide you with all the support you need to pass your diploma.

Our facial course is accredited by VTCT making it a nationally recognised insurable certificate which allows you to use this treatment on the general public and charge for this therapy.

**Skills level required:** Complete beginners, therapists looking to offer another excellent therapy to their clients and for tutors requiring CPD hours (12 hours)

**Price: £350.00**
