RE: Verification of Exempt Status – Application Number 33300

INSTITUTION: Dignity College of Healthcare

BASIS FOR EXEMPTION: Under **\$2500** - Education Code section 94874(f)

The Bureau for Private Postsecondary Education (Bureau) has completed the review of your Institution's Application for Verification of Exempt Status pursuant to the California Private Postsecondary Education Act of 2009 (Act) based on the application received on May 19, 2020.

The application demonstrates that Dignity College of Healthcare has met the qualifications for exemption from regulation under the Act, pursuant to California Education Code (CEC) section 94874(f): *"...educational program for total charges of two thousand five hundred dollars (\$2,500) or less when no part of the total charges is paid from state or federal student financial aid programs"*.

Pursuant to CEC §94874.7, this verification of exemption shall remain valid until August 5, 2022, as long as the institution maintains full compliance with the requirements of this exemption. Any of the following conditions will deem the institution ineligible for this exemption:

- any part of the total charges are paid from state or federal student financial aid programs;
- the institution awards a degree; or
- the institution is approved to participate in Title 38 veteran's financial aid programs.

Additionally, exempt institutions shall comply with CEC §94927.5 regarding the retention of student records and transcripts and their submission to the Bureau prior to closing.

If you require additional assistance on this matter, please contact Mika Scott at (916) 574-8921.

Sincerely,

Erica Smith
