ABOUT A CHANGE TO YOUR RETIREMENT PLAN

TANDEM HR, LLC 401(K) PLAN

Dear Participant:

MidwestHR is pleased to announce that the MidwestHR, LLC 401(k) and Profit Sharing Plan will be merging into the Tandem HR, LLC 401(k) Plan. Ameritas BlueStar Retirement Services will replace Transamerica as the plan provider.

BlueStar's customized service, easy to use website, and effective planning tools will ensure that when the time comes for retirement, you'll be ready! BlueStar's open-architecture program with Charles Schwab Trust Bank allows participants of the Tandem HR, LLC 401(k) Plan to access low-cost share classes from premier fund families. The plan's investment menu also includes easy-to-use target date funds to help ensure that even the most inexperienced investors can invest with confidence. We are confident that this new program will offer you an excellent opportunity to prepare for your retirement.

The following pages contain important information about how you can obtain your password and access your account once the transition is complete. You will also find a summary of your new investment options. Please be sure to review this information carefully as the enclosed materials contain valuable information about our 401(k) offerings.

We are excited about these changes and encourage you to take advantage of our 401(k) Plan!

Sincerely,

MidwestHR

WHAT'S HAPPENING AND WHEN

BLACKOUT PERIOD

Before you can access the new Plan features available through BlueStar, the Tandem HR, LLC 401(k) Plan will need to go through a transition period. During this time, you will have limited access to your account. This is called a "Blackout Period". The blackout period will begin on October 27, 2022 and end during the week of November 14, 2022. During the blackout period, you will not be able to request loans or withdrawals, make changes to your investment selections or transfer monies until the transition is complete and balances are reconciled. Please refer to the Blackout Notice on page 6 for additional details regarding the plan transfer.

DO I NEED TO DO ANYTHING BEFORE THE TRANSITION?

You are not required to do anything before or during the transition. If you are currently contributing to your 401(k), your deductions, will continue without any action required on your part. Your past beneficiary designations will also remain in force. The entire plan, including your account balance and any outstanding loan, will be transferred. However, the Plan will have a new investment option list with an excellent slate of top-tier, low-cost fund options. Your current Plan assets and investment selection percentages will be transferred (or "mapped") to investment options on the new investment menu with similar objectives. Because your funds will be "mapped" based on your current selections, you may want to review the appropriateness of your current investments before the start of the Blackout Period on October 27, 2022. If you want to make any changes to your investment selection or transfer your existing balance before the start of the blackout period, you may do so by contacting Transamerica. The Mapping Table on page 4 outlines how your current investment options will be transferred to the new investment options.

WHAT SHOULD I DO AFTER THE TRANSITION?

You will be notified when the blackout period is over. At that time, you may access your account online at WWW.MYPLANCONNECTION.COM and make any changes to your portfolio you would like. When you login for the first time, your userid will be your social security number and your password will be the last four digits of your social security number.

If you would like to make changes to your investments, you can login to your account at www.myplanconnection.com and select "Manage Account" and then "Change Future Investments" from the drop down menu. If you would like your current holdings to be invested according to your new selections, you will have the option to rebalance your account.

BLACKOUT PERIOD NOTICE

TO PARTICIPANTS AND PARTICIPANT BENEFICIARIES WITH ACCOUNT BALANCE

IMPORTANT NOTICE CONCERNING YOUR RIGHTS UNDER THE MIDWESTHR, LLC 401(K) AND PROFIT SHARING PLAN SEPTEMBER 26, 2022

This notice is to inform you that the MidwestHR, LLC 401(k) and Profit Sharing Plan will be transferring their assets from Transamerica and merging into the Tandem HR, LLC 401(k) Plan at BlueStar Retirement Services, with assets custodied at Charles Schwab Trust Bank.

As a result of these changes, you temporarily will be unable to:

- 1. Direct or diversify any investment in your individual account;
- 2. Obtain a plan distribution;
- 3. Obtain a plan loan

This period, during which you will be unable to exercise those rights otherwise available under the plan, is called a "Blackout Period." Whether or not you are planning retirement in the near future, we encourage you to carefully consider how this blackout period may affect your retirement planning, as well as your overall financial plan.

The blackout period for the plan is expected to begin on October 27, 2022 and end during the week of November 14, 2022. During these weeks, you can determine whether the blackout period has started or ended by calling (800) 878-5220.

During the blackout period you will be unable to direct or diversify the assets held in your plan account. For this reason, it is very important that you review and consider the appropriateness of your current investments in light of your inability to direct or diversify those investments during the blackout period. For your long-term retirement security, you should give careful consideration to the importance of a well-balanced and diversified investment portfolio, taking into account all your assets, income and investments.
