The UCC is the Congregation of the United Church of Christ, which was the brand of missionaries that arrived in Hawaiʻi in 1820 to spread the good news. However at that time, the Papal Bulls of 1493 and written by Pope Alexander IV gave Christians the right to monopolize on and control any land that they “discovered” and had no previous Christian doctrine.

It gave Christians the right to colonize lands and people, to erase identities and culture, and to own lands that do not belong to the Christian discoverers.

As time wore on, the United Church of Christ began to notice a pattern that indicated a need to make reparations to help mankind move forward in common unity. This observation is well within reality, and the United Church of Christ has done its due diligence in locating the detrimental effects of that history.

Today, you can look up the Youtube channel of the United Church of Christ to find [videos](#) about the [work they are doing](#) to restore and repair. Today, we are thankful for the efforts of the United Church of Christ.

From our keiki to you, mahalo for every piece of rubbish that you pick up from the beach, every houseless family that you feed, and everything that you teach our keiki. Lanagirl on Moloka‘i loves her Aloha ‘Āina hat and in video chat she expressed her love for Mo‘i Wahine Lili‘uokalani.

## Pōka‘i Bay Update

Pōka‘i Bay and Ku‘ilioloa Heiau are once again coming to life. The other day Pastor Irene Willis Hassan from Ka Hana o Ke Akua Halepule in Waianae, was seen sitting in a Zoom meeting at one of the picnic tables in a common+unity meeting to assist families in either exit from houselessness on the Waianae Coast.

Other key players included Lena Spain-Suzuki, Aunty Georgiana Hooulu, Eleu Nihoa, Leinaala Kanana [Waianae Comp], Patrice Tanna [Sen. Shimabukuro 's office], Kim Cook [Homeless Vets Center], a representative from Kealahou West Oahu, and Twinks Borge.

## Aloha ‘Āina Ali‘i

Aloha ‘Āina Ali‘i is the representation of many people from many organizations who gather in various locations across Hawai‘i, to mālama our natural environment wherever they are. The core of these groups, Ka Lei Maile Ali‘i, documents the work that is being done to restore lands that the state thinks they can develop on, because they think we forgot. We, the people, did not forget.

## State Legislation

Thank you to everyone who has sent in their personal testimony regarding McKinley High School's removal of the statue and name restoration to Honolulu High School.

Separately, the bill to urge more county-based tax exemption plans for kalo farmers was well supported and is looking good. Please make sure to periodically check on how your county is improving in this area. Remember that our land started disappearing after the ABCFM stopped paying missionaries and they kept complaining about needing land. Today, we will restore our inherent rights by doing the same.

## In Memory of:

One of East Maui's greatest advocates of water rights has recently passed away, after spending at least 25 years defending the rights of kalo farmers and those affected by the unlawful water diversion system.

We hereby dedicate our water advocacy to `Anakala Eric Kanakaole.

## Waimanalo: For the Love of Lāhui

Some say she has a big heart. Others say that Aunty Blanche heard the Word from God to take a piece of land and to make a farm for the houseless people of Waimanalo.

Seeing the hardships that families face in an increasingly disparaging situation, Aunty Blanche sought to share hope and the love of God through her actions of love, provision and common unity with her community of people who are now building together.

From those who were blessed, to the common+unity at large, we would like to extend our love to Aunty Blanche for stepping up.

A gathering to celebrate at the new farm home in Waimanalo.

## Women's Patriotic League

The Women's Patriotic League is an avenue that recognizes that the people of Hawai'i has never relinquished citizenship from the Hawaiian Kingdom and that in the year 2021 we are still citizens of the Hawaiian Kingdom. The organization recognizes that there is no existence of a Treaty of Annexation and that there is no other way to legally acquire a nation to make it a state of the union - ironically, that the nation never united beneath. If you have the same understanding, please contact the representative on your island to see how you too, can be involved. The organization is based on, but not limited to Kanaka Maoli. Rather, it includes all of whom are loyal to the Hawaiian Kingdom and would like to see it flourish in its national honor again.

## Saving Mākaha

"If the current Makaha Bridges replacement project proceeds as planned, the placing of the PROJECT's temporary bypass road on the makai side of Farrington highway will place the Mākaha Beach ecosystem in immediate peril, especially if the "five-year flood level standard" temporary bridges are washed into the bay by inland flooding or ocean surge. If the mauka route is constructed, there will be no need to construct a temporary bypass route because the current route would be fully available. "

## Hawaiian Language Programs

### ‘Ōlelo Hawai‘i

*the official language of the State of Hawai‘i*

By 1840, the literacy rate in Hawai‘i was over 90% while schools were just being established in much of America.

After the illegal annexation of Hawai‘i, the language was banned from public places including schools, churches and anywhere else it would normally be commonly used.

Many of our kūpuna would have given their left foot to have grown up in their native tongue.

Today, we have every opportunity.

Please ask around to learn and preserve even just a fraction of our language. Do it for your tūtū.

As we uncover and discover new findings in history daily, we are celebrating the Hawaiian Kingdom in all of her glory today.

There is no better way to share this past, presence and future, than to do it together. For more information on how you can get involved, please email:

## Update: McKinley High School

Correcting history is important, as it relates to trauma and honoring the correction of history. Apparently, the state sided with the colonizers, and should that be a surprise to anyone? Probably not.
