Sale of Work and Community Displays

The Canning Arts Group holds Sales of Work and Community Displays at various venues including the Canning Arts Centre. If you wish to place your artwork in these events, please note the following:

- Members placing work in sales are required to do rosters as requested.
- Members can place items for sale in the Gallery Gift Shop. These items must have a completed gallery card or sticker attached showing your shop code and the price. These are available from the office at no cost.
- A 20% commission on sales is deducted and paid to CAG.
- All members wishing to sell work through the gallery or other sales must supply CAG with either notification of ABN or Statement by a Supplier to comply with Australian Taxation Office requirements. Failure to do this will mean that an additional 48.5% will be withheld and forwarded to the Taxation Department.

Each new member is encouraged to think about becoming a Committee member to keep our committee active and vital to help ensure the group is kept going for all its members.

Any contribution in any way is welcomed.
