

Fireside Fellowship:

Faith of God:

1. Do we have a group of Christ believers in our own life that we would feel orphaned without?
2. In what ways do you see or sense satan at work trying to destroy your faith or the faith of others?
3. Paul puts others first in his concern for their spiritual well-being and growth. Do we do that for others? Why or why not?
4. Paul knows that opposition and even aggression towards the gospel is expected. Do we expect this? How does this change the way we look at the world and live in it?
5. Our faith is not lived only to ourselves alone, it impacts the faith of others. Paul was greatly encouraged to hear of the faith of God in the Thessalonians. Are you living out your faith in such a way as to encourage those around you? How so? Or how not? Faith of God
