Volume IX

From the desk of Mrs. Black:

Swedeborg School will be wrapping up another successful school year on May 24th.

I would like to thank the parents, volunteers, teachers, and staff who have helped our students grow this school year.

3rd through 8th grade students will be taking the MAP Assessments May 6-13. Please try to schedule any appointments outside of this important time, if at all possible.

Please take a moment to check out everything that is happening in May, as we have several dates to note. If you are able please take a moment to send your child's teacher or Swedeborg staff a note as May 2-6th is teacher and staff appreciation week.

Swedeborg School hopes that the entire community enjoys their summer. We feel blessed to have been part of your child's education. We look forward to seeing everyone again next fall.
