1. Every summer there are items left at camp. Please label all belongings and use this list when packing and re-packing. U-turn Ranch is not responsible for items left at camp. The last day of camp all items are laid out on a table at sign out. Please check this table for items left behind by your camper.
2. Nights can be cool, warm bedding is essential.
3. While choosing footwear for horsemanship activities, please consider that occasional accidents do happen and our big gentle friends (Horses) can step on feet.
4. Please do not bring gum, technology (cell phones, tablets etc., or inappropriate reading material. We realize that kids are used to having phones, but we ask that if you feel your child needs it that you give it to us during drop off on Monday and we can set up a time that would be good for them to call home if needed.
5. Please do not bring valuable or special items to camp.
6. Pack rain gear as our program continues in the event of a light rain.
