

THE DEVIL GIVES HIS SEAL OF APPROVAL TO THE NEW KING JAMES BIBLE

The above picture is what is found in the front and on the cover of the New King James Bible, which has been printed as such since 1982.

The greatest method of deception is to counterfeit, and the master of counterfeit and deception we all know is Satan.

Definition of "counterfeit" is: to imitate or copy closely, especially with the intent to deceive.

2Cor. 11:14-15 *"And no wonder, for even Satan disguises himself as an angel of light. Therefore it is not surprising if his servants also disguise themselves as servants of righteousness; whose end shall be according to their deeds."*

Isa. 14:14 *'I will ascend above the heights of the clouds; I will make myself like the Most High.'*

Exod. 20:4-6 *"You shall not make for yourself an idol, or any likeness of what is in heaven above or on the earth beneath or in the water under the earth. "You shall not worship them or serve them; for I, Elohim your God, am a jealous God, visiting the*

iniquity of the fathers on the children, on the third and the fourth generations of those who hate Me, but showing lovingkindness to thousands, to those who love Me and keep My commandments."

Satan's counterfeit "angels of light" have successfully infiltrated Yahveh's supposed church, through many ministers who are supposed to teach the truth of the Bible. Many clergy have allowed Satan to feel at home in their pulpit, and roam their churches unchallenged, while actually endorsing Satan's handiwork.

In 1885, Satan used a couple of secret society occultists, Brook Foss Westcott and Fenton John Anthony Hort, to attack Yahveh's Bible, by publishing their own Gnostic translation. Satan's agents, such as the United Bible Society, continue the attack on Yah's Authorized Bible today. The continued attacks have resulted in many counterfeit Bibles, based on Satan's Alexandrian philosophy, which rejects the premise of a perfect Bible. Corrupt Alexandrian manuscripts have been used, and where the pure Antiochian manuscripts have been used, doubt is cast by adding footnotes. New Bibles, cast doubt and confusion, "For Yahveh is not the Author of confusion." (1Cor 14:33).

Satan's schemes have always been to cast doubt and confusion. Instead of the unity of a Preacher reading Scripture to everyone else in the church reading from the same Bible, we have Satan's agents giving everyone different bibles to read, causing confusion, and making big profits from the ignorance of the babes.

Among Satan's greatest counterfeit's is the New King James Bible. Believers who would never touch another modern version are being "seduced" by the New King James Version.

They have been "deceived" into thinking it is an updated King James Authorized Version, but the New King James not only makes subtle changes to the 1611 King James Bible, but **it even has Satans seal of approval on the cover.**

The mysterious symbol on the cover of the NKJV is the symbol employed by pagans and occultists for their unholy, Luciferian trinity of deities. The same unified - yet three-part symbol - is also connected with the theology of top New Age leaders, and with the dark initiation rites of high-level Freemasonry.

The publishers of the NKJV, Thomas Nelson Publishing, claim on the inside-cover, the symbol, "...is an ancient symbol for the Trinity". Did the publisher have any idea of the true meaning of this symbol? Perhaps not, but perhaps someone did? Because this bible version, like others, is full of errors and omissions, God could of made sure that Satanic seal was there to be a warning for Believers to reject these false Bibles. Whatever the reason, it is certainly ironic.

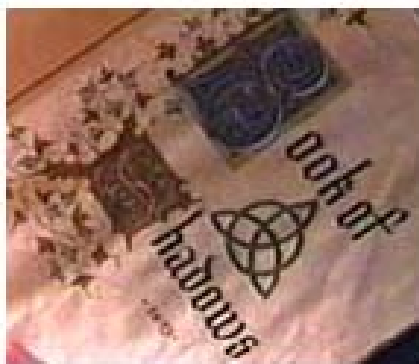

Constance Cumbey, author of *The Hidden Dangers of the Rainbow* and a notable authority on the New Age Movement, said, "On the cover of the Aquarian Conspiracy is a Mobius, it is really used by them as triple six (666). The emblem on the cover of the New King James Bible is said to be an ancient symbol of the Trinity. The old symbol had Gnostic origins. It was more Gnostic than Christian. I was rather alarmed when I noticed the emblem..." (The New Age Movement, Southwest Radio Church, 1982 p.11). King James finished His Elizabethan translation of the Bible in 1611. By 1875 the people of England wanted an updated version. In the original version the proper Greek spelling of the Hebrew name of "Yeshua" was transliterated "Iesu, or "Iesous". Ever since then it has

been mis-spelled and mis-pronounced as "Jesus". I believe the following may be the explanation as to why. The committee formed to update the scriptures over a 20 year period had on it two Jesuit priests that changed it by using another manuscript. The two, supposed members of the church of England, were Roman Catholic infiltrates that were under special oath, bound to destroy the King James version. They were, F. J. Hort (1828-1892) and B.F. Westcott (1825-1901). They convinced the committee that the old texts in the Vatican were more reliable than the copies from Antioch (Isa. 30:1-3). They distorted the Word of Yahveh and produced a revised version of the old unholy (Origens corrupted text) Roman Catholic Latin Vulgate Bible. In the last 100 years or so we have had about 85 new English translations of the corrupted Catholic Bible brought forward in order to push out the original "Authorized Version of the King James" Bible. The King James Bible is becoming more and more difficult to find in the hands of teachers and scholars. Many think the new Ecumenical movement will soon probably promote a common use Bible for all religions that will be even further away from the real thing then the "Living Bible" which we now see so popular. The three esoteric "6"'s separated:

New Agers freely admit it represents three inter-woven "6"s or "666".

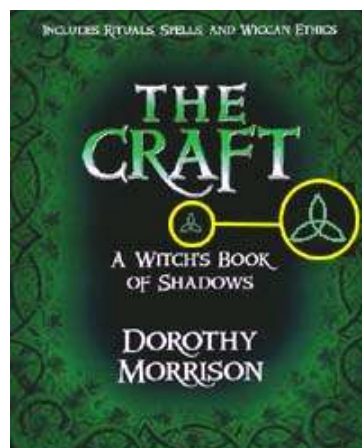

The same symbol (with a circle) is displayed by the rock group Led Zeppelin, on an album from Atlantic Records. Members of Led Zeppelin are/were deeply involved in satanism and the occult. They put satanic messages backmasked on some of their recordings, and guitarist Jimmy Page, so consumed with satanism, actually purchased Aleister Crowley's mansion. Many believe the triquetra symbol is from the teachings of Aleister Crowley, and represent 666.

from the "Charmed" TV series

The Institute of Transpersonal Psychology

Many people will recognize this same occult symbol from the popular television program called "Charmed". This program was about three witches that use their powers to manipulate and dominate their friends and acquaintances. At the beginning of the program and in its previews it clearly shows this identical symbol, with and without the circle. This will come as no surprise to those people who see how Satan himself has taken over most of the television networks under the guise of Hollywood, the entertainment "Babylon" of America.

A Symbol of New Age/Aquarian Conspirators

New Age leader Marilyn Ferguson prominently displays this symbol on the cover of her million copy best-selling book, *The Aquarian Conspiracy*, a key New Age "handbook."

This triquetra symbol is also displayed prominently at the beginning of each chapter of her 447-page encyclopedia promoting New Age perversion.

In her book, *The Aquarian Conspiracy*, Ferguson confidently discloses that yes, there is a global, New Age conspiracy, and that the goal of its leadership is to dramatically transform humanity and usher in a New Millennium of Oneness. Ferguson writes: "A leaderless but powerful network is working to bring about radical change in the United States. This network is the Aquarian Conspiracy - There are legions of conspirators. They are in corporations, universities, and hospitals, on the faculties of public schools, in state and federal agencies - and the White House staff. Whatever their station or sophistication, the conspirators are linked (pp. 23-24)".

The triquetra seal is used in countless New Age magazines and books.

The symbol is also similar to the logo of the immense Krupp Works, the German manufacturing giant that was one of the most important producers for Adolph Hitler's Nazi war machine.

The symbol can also be found on Official Catholic internet sites, where it is said to represent Christians unity.

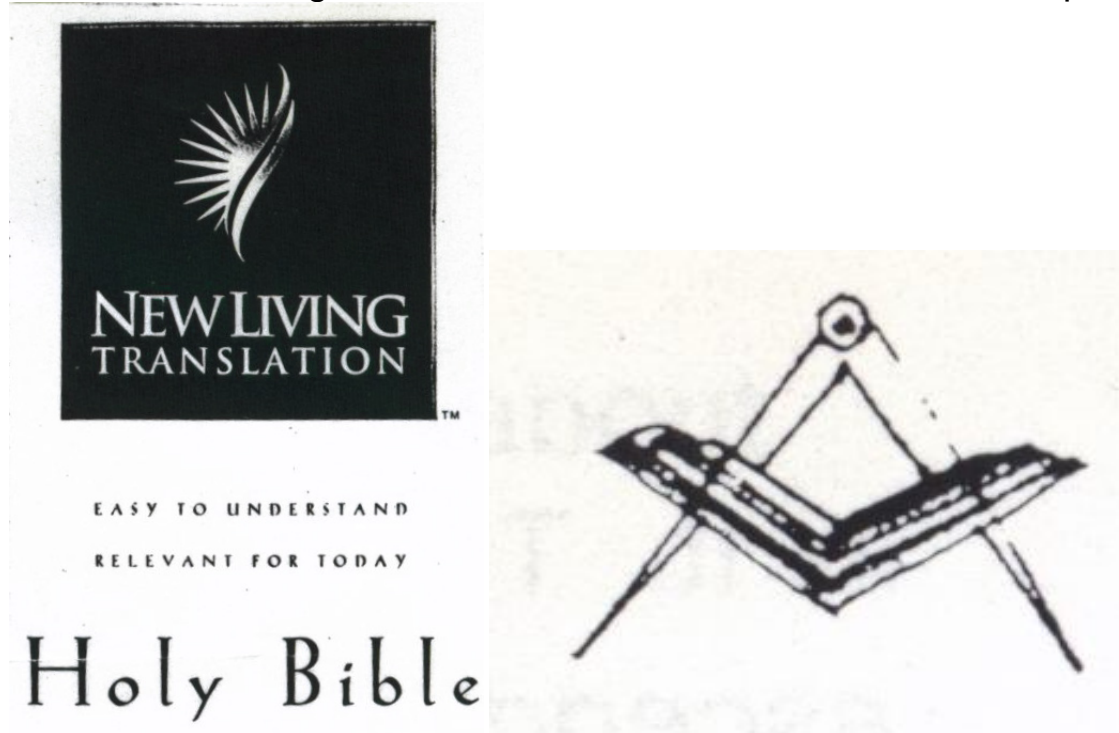

A Symbol of Freemasonry

Symbols are used throughout the occult. They are important to all esoteric teachings. They are supposed to contain secret wisdom accessible only to the initiated. The classic Masonic text, Duncan's *Ritual of Freemasonry*, shows how the cryptic "Three

Times Three" handclasp is performed in the Royal Arch Degree by three "brothers" of the Lodge. It is during this secret ritual that the Masonic initiate learns the true name of the Masonic god, referred to by Masons as the "Grand Architect of the Universe." **The Masonic Lodge reveals that the actual name of their deity is Jahbuhlun.** This name is obtained by combining the name of Jehovah, with the names of the Philistine god, Baal, and the Egyptian god, On. (On is one of several names used for the great Egyptian sun god.) Thus, Jah-baal-on, or Jahbuhlun.

Higher-level Masons worship a false god under the adulterous name, Jahbuhlun, and, as we have seen, one of the marks of Jahbuhlun is that of the triquetra, the same three-part symbol used by the publisher of the NKJV.

The following is a copy of the symbol on the New Living Bible, which many people conclude is nothing more than a novel because of its far too simplistic English.

This symbol on the NLT is obviously of the sun, which gives reverence to the Sun god Baal. It is an idol of the sun rising, which is talked about in the Bible as worshipping the created instead of the creator.

The symbol on the front page of the "Living Bible" is mighty close to that used by Dr. Timothy Leary, a professor at Harvard University during the 60's. He was fired due to his experiments with LSD, and his belief that this drug could be used for expanding awareness of subconscious structures and aspects of the world not perceived in a normal consciousness state.

The deceived Believers who cannot understand the second commandment, think of this three ringed symbol to represent the trinity. They call it the "triquetra seal", even though the numbers 666 are concealed in it. This is another example of what Satan said in **Isa. 14:14** *'I will ascend above the heights of the clouds; I will make myself like the Most High.'*

The triquetra symbol is also from celtic tradition, and represents the three aspects of the goddess; the maiden, the mother, and the crone.

NOTE

Many people will say that a symbol means nothing. I ask then; “why are they used”. Using a logo for a business in the secular world is one thing, but using an occult symbol for the Bible is simply unacceptable.

Can you imagine if we took the swastika symbol of Hitlers era, and put it on our Canadian flag, proclaiming that it now stands for “FREEDOM”. Symbols represent things, and throughout history symbols were used in the occult to represent gods of various origin. The meanings associated with these symbols are known to be occult, and they cannot be changed after the fact. These symbols are an abomination to our Father in Heaven. These occult symbols, in fact, may bring curses with them.

It comes down to the second commandment. If one believes in the commandments of the Bible as written, rather than as recorded by the Roman Catholic, Lutheran, and other churches, one will simply believe and follow. It is obvious why Adonai (YHVVH), gave us this commandment, so things that are happening in His name would hopefully never take place.

Again the Christian organizations have blasphemed Yah in the name of their Jesus, confusion at its best.

I believe the following scriptures explain this dilemma well:

Matt. 5:17-20 ***“Do not think that I came to abolish the Law or the Prophets; I did not come to abolish, but to fulfill. “For truly I say to you, until heaven and earth pass away, not the smallest letter or stroke shall pass away from the Law, until all is accomplished. “Whoever then annuls one of the least of these commandments, and so teaches others, shall be called least in the kingdom of heaven; but whoever keeps and teaches {them,} he shall be called great in the kingdom of heaven. “For I say to you, that unless your righteousness surpasses {that} of the scribes and Pharisees, you shall not enter the kingdom of heaven.”***

Mark 7:6-9 ***“And He said to them, “Rightly did Isaiah prophesy of you hypocrites, as it is written, THIS PEOPLE HONORS ME WITH THEIR LIPS, BUT THEIR HEART IS FAR AWAY FROM ME. ‘BUT IN VAIN DO THEY WORSHIP ME, TEACHING AS DOCTRINES THE PRECEPTS OF MEN.’ “Neglecting the commandment of YHVVH, you hold to the tradition of men.” He was also saying to them, “You nicely set aside the commandment of YHVVH in order to keep your tradition.”***

As for the clergy, leaders, teachers etc., that go along with these heathen practices and symbols, Adonai Himself explains what He will do about it in:

1Pet. 4:17 ***“For {it is} time for judgment to begin with the household of YHVVH; and if {it} {begins} with us first, what {will be} the outcome for those who do not obey the gospel of YHVVH?***

Mal. 2:7-9 ***“For the lips of a priest should preserve knowledge, and men should seek instruction from his mouth; for he is the messenger of Elohim of hosts. “But as for you, you have turned aside from the way; you have caused many to stumble by the instruction; you have corrupted the covenant of Levi,” says Elohim of hosts. “So I also have made you despised and abased before all the people, just as you are not keeping My ways, but are showing partiality in the instruction.”***

Jer. 48:10 ***“Cursed be the one who does Yahveh’s work negligently, And cursed be the one who restrains his sword from blood.”***
