GALLERY L-MD

enjoy moments

It was the first day of the famous Montreux's Marché de Noël when guest, clients and invites stop by the chick boutique / gallery L-MD to enjoy moments of art, stories and tailor made state of the art footwear made by L-MD all documented with the charm click of Lital's camera.

Few special moments pioneered the evening to the happiest of all. It was when a handmade tailored self design pair of boots was offered to Lital Nidam with the courtesy of Mr. Florian Cavigelli (L-MD)
