

Jackson High School Boys Volleyball

2020 Season

Welcome to Jackson High School Boys Volleyball!

Our team is in its seventh year with our current program. Most people in Stark County are surprised to learn that Jackson High School has a boys volleyball team. Actually, it had been around for 20 years, but was cancelled in 2013. We brought it back in 2014, and the program continues to gain popularity. Boys volleyball is one of the fastest growing sports in the United States.

Quick Facts about Jackson Boys Volleyball:

- Jackson has a Varsity team, as well as two JV teams. Currently, there are no other boys volleyball teams in the Federal League. Therefore, we play teams (home and away) from Cleveland, Columbus, and Cincinnati.
- Our Varsity team has gone to the State Tournament in 2016, 2018, and 2019.
- We have successfully hosted the Polar Bear Bash, an 8-team tournament, for over 5 years.
- Many of our players play travel boys volleyball on Regional and National teams.
- We host a middle school boys volleyball program to encourage younger players to learn the fundamentals of volleyball and develop the skills to become future Jackson players.

Because of our status as a “club sport,” Jackson High School can only provide limited funding. Therefore, in order to continue our program at a high level of excellence, additional funding must be raised.

Would you please help us and provide a sponsorship for the Jackson High School Boys Volleyball program?

The club is designated as a 501(c)(3) non-profit, EIN: 46-4851398. For more information, please contact us by email or cell. Thank you in advance for your consideration!

Sincerely,

Tim Etter, President
