

**Florida Early Release
Permission Slip**

I give permission to Mr. Griffith to release my son/daughter before the completion of the trip. My son/daughter may go only with the assigned person on this sheet. I understand that if they are not present that my child will not be released and will be transported back to Macomb. I also understand that if they are not at the designated park at the designated time the band must adhere to the schedule and depart at the scheduled time.

I understand that if there is a discipline problem my son/daughter **will not** be released from the trip to anyone other than a parent or legal guardian. If there is a problem that would result in expulsion from the trip, the student will be sent home even if prior arrangements had been made to stay in Florida.
