

The On-Line Perceptive Awareness Technique®

P.A.T. is a 5-segment, focused, interactive workshop based on a 30-year proven process for accessing your higher-sense perception (or intuition), at will.

Along with an increase in one's intuitive process
other benefits of P.A.T. are:

- BETTER UNDERSTANDING and awareness in relationships with others.
- GREATER PRODUCTIVITY and conviction in decision-making situations through intuition skills.
- REINFORCEMENT and expansion of SELF-ESTEEM and SELF-TRUST.
- RELEASES STRESS for better performance.

Who is P.A.T. for?

ALL PEOPLE in all fields of endeavor including business, medicine, health, education, religion, law, and entertainment. P.A.T. is for people who are inspired to be a positive unifying force in our changing times and who are committed to serving others.
