⁴ The Club Express Member List should be referenced to determine if participants are members.
⁵ If participants are members of HWSC, per the Club Express Member List, then a joining agreement/rider release has been signed. If the participants are not members, the rider release binder should be referenced for signed rider releases.
⁶ Michigan law requires horses to have tested negative for EIA within the previous 12 months prior to entering publicly held exhibitions, fairs, or shows in Michigan; therefore, HWSC requires proof of a negative coggins prior to participation in our events. Verify the Coggins is **NEGATIVE AND RECORD THE DATE WHICH BLOOD WAS DRAWN**.
⁷ Record check numbers in this column if applicable and/or if a rider is paying for more than a pay-to-play (e.g. membership).
