Comment

*An easier trade on lambs this week in line with other places across the country. A good show of lambs today and a pity it seems to have been the wrong week with the trade coming back slightly. Lambs seem to have done well the last fortnight with several entries being well finished for this week's sale. We anticipate several sheep for next week's sale, we are weekly this time - the next sale on the **28th October** to avoid following the 2Day calf sale.*

Early entries are now required for next week with all types of stock required. Please notify the office that we can ensure buyers are fully prepared of prior entries.

Once again, I would like to thank our vendors for their continued support and look forward to next week.
