

Goat Roast 2016

Mark your calendar for this year's Goat Roast on Sat, June 11th at the ASU Pavilion!

This will be our Biggest Event since our 65th Anniversary in 2014, just a bit much more casual.

We will enjoy time with fraters *and their families* as all are invited. There will be activities for kids, the ladies will discuss starting a Women's Support/Social Organization & we will have some BIG Business to discuss focusing on the upcoming colonization and our ongoing House Project!

The pavilion offers outside activity areas yet inside A/C to keep us comfortable. We are working on a Tour of the Newly Rebuilt Allison Tower of Centennial Bank Stadium! PLEASE reach out to 3-5 fraters & encourage them to make the effort to come up for this big event!

We are currently working on details of cooking/catering, etc but we will have some great food since we have a few fraters who definitely know how to smoke butts!

A New Era... A New House for Beta-Psi

Now that ASU has made our return OFFICIAL, our House Fundraising has gone into high gear. The response from fraters of ALL eras making donations & following through on previous pledges has been incredible and encouraging.

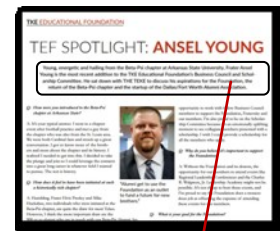

Get your donation/commitment in NOW to be a member of the "Centurion Group" (first \$100,000) & have your name on the House Plaque to be permanently installed on the House.

We have a **Naming Rights Campaign** for larger donations. We've had 2- \$10k confirmed, with a \$25k & even a \$50k gift being negotiated and we expect to hit \$100,000 by Goat Roast.

You have many ways to donate: tax-deductible, estate bequests, short & long-term installments & more. You can mail a check to us locally or go online at TKE.org/donate. Stay up to date on our website & make plans to be here at Goat Roast for specific giving details.

Frater Young Named to TEF National Boards

Beta-Psi Alumni, Frater Ansel Young, #1304, was recently appointed to the TKE Educational Foundation's *Business Council & Scholarship Committee*.

The introduction for the article reads:

Young, energetic and hailing from the Beta-Psi Chapter at Arkansas State University, Frater Ansel Young is the most recent addition to the TKE Educational Foundation's Business Council and Scholarship Committee. He sat down with THE TEKE to discuss his aspirations for the Foundation, the return of Beta-Psi Chapter and the startup of the Dallas/Fort Worth Alumni Association.

This is quite an honor and very timely for US! The knowledge Ansel has already acquired has aided our Association as he heads our efforts to raise funds for our House Project.

The article will appear in the next "THE TEKE Magazine." We have posted a preview copy of the article on our website at

www.BetaPsiTke.com

Jan 9, 2016 Founders Day Ceremony & Alumni Volunteer Training

20 Alumni attended Volunteer Training with TKE National to serve as Local Mentors for the new chapter.

Mark your Calendar to support Miracles for Mary this August. It's the premiere, non-official Alumni

Reunion of the Year! Go to the website for all the social details & golf entry forms.
