Marriage Tip: The biggest problem with couples is not falling out of love, but of not knowing one another. Much time is spent in courtship getting to know a prospective marriage partner, but in a busy married life that process can stop. Make the time to ask your spouse about his or her day. And LISTEN.

13th Sunday in Ordinary Time (A)

Two Important Masses during the Week:

June 29, Solemnity of Saints Peter and Paul, Apostles. Fr. Peter's day off, but because of the solemnity, he will be celebrating Mass at 5 PM in St. Claude Church. All is welcome.

Wednesday, July 1. Happy Canada Day to all! Mass intention: Pray for our country and for our villages of St-Claude and St-Denis.

Canada Day – July 1

July 1 is celebrated as Canada's birthday. Canadians should seek to be witnesses to Christ in Canada and the world, and to continue working to influence those in government to act from Christian principles and attitudes.

Christians, realizing they do not have a lasting home here, should pray and work for justice and peace in Canada and throughout the world, so that all God's people may share in the goods of this earth. God's kingdom will come only when all people are ready to let Christ's teaching guide and rule their lives and actions.

Stewardship - June 28, 2020 - 13th Sunday of Ordinary Time

"...whoever does not take up his cross and follow after me is not worthy of me."

(Matthew 10:38)

Pope Benedict XVI said, "The world offers you comfort. But you were not made for comfort, you were made for greatness." "Comfort" puts me first. "Picking up your cross and following Jesus" puts God and others first. Why settle for comfort when you can achieve greatness! Pick up your cross, ask Jesus for guidance on using your gifts and live the life God intended for you!

Some important notes:

- If you do not feel healthy or you do not feel comfortable, please stay home.
- I had prepared facemasks for you. For the common good of all, I ask you to sanitize hands, wear a mask and practice social distancing (2 meters or 6 feet apart) when attending the Mass.
- If possible, could you please bring your own disinfecting wipes to clean your place and surrounding? It helps!
- We had also prepared disinfecting wipes and garbage bins at the back of the church. We look for volunteers to clean the surfaces, the doorknobs before and after each liturgical celebration.

Brothers and sisters, we are blessed that we are safe so far in St. Claude and St. Denis- Haywood. We are complying with all safety measures to prevent the future outbreak of the Covid-19 in our community and for the common good of all. I appreciate your cooperation and your sacrifices!

May the Lord keep you safe and healthy. May God bless you all!

13th Sunday in Ordinary Time (A)

Life Choices

There is not a day going by without having to make choices and decisions. Some are part of our routine and as inconsequential as the clothes we wear or the food we eat. Other choices concern the organization of our time: personal or family life, work, leisure, etc. However, there are decisions that need to be carefully considered because they will have repercussions on our lives, such as our choice of career, marriage or religious life. There are also heartbreaking choices, such as caregivers who have to change or leave jobs to care for an elderly parent or a disabled child. As we think about it, this little exercise will remind us of all the choices we made during the past week. You may be surprised at the result.

Jesus' words in this Sunday's Gospel are challenging! Using provocative statements, Jesus specifically and clearly reminds us, who were baptized shortly after birth, that our Christian existence is based on the decision to follow Him. All the decisions we make, from the most innocuous to the most serious, express our choice of how we live our faith on a daily basis.

I sincerely believe that our attachment to Christ is not an escape from the world, but rather a plunge into all dimensions of our humanity. Our challenges are to live full lives by following in the footsteps of the Beloved Son who assumed our human condition and showed us Our Father's love.

Following Jesus' lifestyle choices will inspire how to live and interact with those around us. However, if we want to give Christ a prominent place in our lives, we will have to spend time reading the Gospels and praying to see how Jesus acted with kindness and respect and listening to his Word that enlightens and inspires us. We will be amazed at the differences that result from our choices as we live in union with Christ.
