The fact is we had just completed a 30-day fasting assignment last June for the Black Race, and frankly none of us was anticipating another warfare assignment, at least not this soon. Around mid-June, and during the Black Race fasting period, we were being led by the Holy Spirit to do some intense research on the history and the future of Christ's Church. It was then that we started coming across some amazing facts that we needed to share on both the USA & the Haiti lines, and which lasted four weeks in an eight-part series titled "*Unveiling the Counterfeit Church*".

Through our research, we got a better understanding of why satan will stop at nothing, even to see the whole world cast into hell, to undermine God's plans and deceive the world into worshipping him at all levels. His pride and envy have caused him to mimic everything that God does in order to deceive the Church into believing it's the "real thing." Through

that extended research, we broke the code of several passages, especially in the books of Daniel and Revelation. We also discovered that, in most instances, the prophecies in both books complement each other in so many ways. We came to better understand what many chapters in Revelation were portraying, especially for the end times.

In chapter 1, Christ was dead and now is alive. In chapter 2, Jesus won the victory over the church that satan took over. In chapter 3, we see Jesus talking to the Laodicean church, while still inside His Church. But overtime, He got kicked out of the church on earth and is found outside, knocking and asking to be let inside. But in chapters 3 and 4, a door that no one on earth could close is open in heaven for Jesus to come in. In the beginning of chapter 6, God triumphed one more time and satan tried to use the seven seals to bring confusion and chaos on the earth, but we see that God triumphed one

more time. Because in verses 9-10, we see the people that satan was using to bring confusion on the earth lost and went into hiding, asking the mountains to fall on them. In chapters 7 to 10, the seven seals are open, and there is trouble on earth. Chapter 11, the Temple is open, and the Ark of the Covenant could be seen in heaven. Chapter 12 shows a woman clothed with the sun, with the moon beneath her feet, and a crown of twelve stars on her head. She was pregnant, and she cried out because of her labor pains and the agony of giving birth which represents the birth of Christ which is also the birth of the Church, because Christ was to ransom the Church by His blood.

We revisited the prophecy of the four beasts:

- 1) the Lion
- 2) the Bear
- 3) the Leopard
- 4) fourth beast not specifically identified and was different from first three beasts.

When the Assignment is Very Specific & Urgent – by Pastor Mireille Desrosiers

As satan always wants to compete with God in everything, we also discovered that satan has a trinity, which of course is a luciferin trinity, a diabolical trinity. Here is the parallel as shown in the Bible:

1) God the Father in Heaven versus the red dragon (satan) coming from heaven:

a) According to Ps 48:2, the Father in heaven has a throne on Mount Zion, in the far north. The red dragon resides in the second heaven and also has a throne. Isa 14:13 says - *“For you said to yourself, I will ascend to heaven and set my throne above God’s stars. I will preside on the mountain of the gods far away in the north.”*

2) Jesus the Son of God versus the beast coming from the sea:

a) When Jesus was about to start His ministry on earth, the first thing He did was to be baptized in the Jordan River. So His ministry started after He got out of the water. The beast coming from the sea (a body of water) is mimicking the Lord coming out of the Jordan. Rev 13:1 talks about the beast who stood on the shore of the sea. *“And I saw a beast coming out of the sea. It had ten horns and seven heads, with ten crowns on its horns, and on each head a blasphemous name.”* This is where he started his diabolical ministry, in water (the sea).

b) Jesus resembles His Father. He said, if you see me, you also see the Father because the Father and I are one. Now, the beast from the sea (the son) looks like the red dragon (the father) who came from heaven. So that beast and the red dragon of the diabolical trinity both represent God, the Father and Jesus, the Son.

c) Jesus has been crowned King of kings and Lord of lords. When He rose from the dead, He said *“all power is given unto Me in heaven and on earth.”* Jesus received His power from His Father in heaven. The dragon coming from heaven gave the beast (coming from the sea) his power and his throne with great authority.

d) We remember that Christ was fatally wounded but came back from the dead and He

received His power after His resurrection. We read in Rev 13:3 *“One of the heads of the beast seemed to have had a fatal wound, but the fatal wound had been healed. The whole world was filled with wonder and followed the beast. People worshiped the dragon because he had given authority to the beast, and they also worshiped the beast and asked, ‘Who is like the beast? Who can wage war against it?’”* When did he receive that power? Like Jesus, the beast received his power AFTER he was fatally wounded and he got healed, again mimicking Jesus who was dead and rose again. But how did the beast receive his wounds?

In 1798, the papal system was victimized when France invaded Italy and killed Pope Pie VI. While the papacy was still in existence, the office lost its global power. But, in February 1929, the papacy was restored by Benito Mussolini and Cardinal Secretary Pietro Gasparri and Pope Pius XII later. Since then, the papal system became very powerful. This is where the characteristics of the Son of God are found and that’s also when the papacy gained all its universal power. Leaders of nations bow to him.

e) *Though he was God, he did not think of equality with God as something to cling to. Instead, he gave up his divine privileges; he took the humble position of a slave and was born as a human being. When he appeared in human form, he humbled himself in obedience to God and died a criminal’s death on a cross. Therefore, God elevated him to the place of highest honor and gave him the name above all other names, that at the name of Jesus every knee should bow, in heaven and on earth and under the earth, and every tongue declare that Jesus Christ is Lord, to the glory of God the Father. (Phil 2:7-9)* Pope Francis represents himself as Jesus. He is humble and resists being served, refusing to have a driver, refusing to sit on that throne that other popes sat on. He is very close to the people, as Jesus used to do it. He is a man that the whole world listens to because the whole world is in admiration of him.

f) Jesus came on the earth in the year AD’00 and died in the year AD’33 (around March/April) so His ministry lasted a total of 3½ years. In Rev 13:5, we read *“Then the beast was allowed to speak great blasphemies against God. And he was given authority to do whatever he wanted for forty-two months or 3½ years.”*

3) The Holy Spirit versus the beast Coming out of the Earth :

a) The Holy Spirit’s mission on the earth is NOT to work for Himself, but to lead us to worship the Father through Jesus. When we worship Jesus, we worship the Father. *“Then I saw another [third] beast come up out of the earth. He had two horns like those of a lamb, but he spoke with the voice of a dragon. He exercised all the authority of the first beast. And he required all the earth and its people to worship the first beast, whose fatal wound had been healed.”* (Rev 13:11-13) Note that this third beast resembled a lamb, but it was a dragon. The mission of this third beast is to cause people to worship the second beast that came from the sea. When you worship the second beast, you also worship the red dragon or satan. This beast, in the diabolical trinity, is a representation of the Holy Spirit. *“He did astounding miracles, even making fire flash down to earth from the sky while everyone was watching.”* (Rev 13:13) The first time we saw fire coming from heaven was on the day of Pentecost for the baptism of the Holy Spirit. But according to Rev 13:13, satan will bring fire from heaven to **confuse people** causing them to think that they’re worshipping the true God when in reality, we’re worshipping the dragon. Many will fall for his lies, and even some of the saints of God, if we’re not careful.

Remember, the papal system (second beast) had died in 1798, and the only government that came on the earth around the same time of the fall of the papacy is the United States - born on July 4, 1776 with humble beginnings. They were a protestant nation, they were humble like a lamb, doing good on the earth, teaching the word of God in the schools and running the

government with great Christian values. After WWII, America became a very powerful nation on the earth, having allies with most developed nations. But with the rising of Donald J. Trump, things have changed. Thus, the U.S. started as a lamb, but over the course of time, they will talk like a dragon. As known to everyone, America has used its power to dominate the world, even started several wars at the cost of several lost lives and the destruction of nations. But now we see America losing her influence around the world. So the third beast also represents the United States. Thus, America is now set to give the papal system the power that it needs to govern the world and bring in the new world order -- one world government, one world currency and one world religion.

When one compares America with Rome, the resemblance between the two nations is just overwhelming, including the architectural structures of Washington, DC and the Vatican, their eagle symbol, their Statue of Liberty, etc. America and the Vatican will be the last systems on earth before the return of Christ. Also, prophecies showed that Pope Francis will be the last Pope, as events will continue to map the way for his rise to global power. As the year 2020 rolled in, we started seeing the beginning of tragedies and the vulnerability of both Italy and America to covid-19. But in reality, the world is changing and the stage is being set to make room for what must take place before Christ returns.

4) The Holy Church of Christ versus the Roman Catholic Church (RCC):

Like ancient Rome, today's Rome, via the Vatican, still has great influence over the world governments. History shows that May 14th is a very important date in the RCC. In our research, it was also confirmed that many events in the RCC occurred on that very specific date. For instance, you might recall, that Pope Francis had plans to commemorate the politic of Pope Gregory XIII this year, on May 14, 2020 under the cover of global education. But that plan got thwarted due to

covid-19. He was planning to meet with the political, religious and cultural leaders of the world to reinforce a global education program, signing a pact or a covenant with the religious leaders of the world, in order to return the whole world under the observance of the Sunday's rest to benefit the planet from global warming. March 7, 321, that Roman Emperor Constantine issued a civil decree making Sunday a day of rest from labor instead of the Levitical Saturday sabbath. Many other biblical principles have either been altered or completely eliminated by the RCC. The Hebrew calendar was changed to the Gregorian calendar which was introduced in October 1582 under Pope Gregory XIII. A number of Catholic holidays and myths, such as Christmas, Easter, and Mardi Gras, Halloween, All Saints' Day, are on the timeline of pre-Christian calendars with their pagan roots. Let's not forget that the RCC is the nest of paganism and also the root cause of Islam. The Catholic practice of praying to saints has been called "de-facto idolatry" and even a relic of goddess worship, including Mary, which is a representation of Europa or Isis / Ishtar.

There is no doubt that America is going down at a very fast pace, making room for the papacy to take charge which will be a global government. The Book of Revelation gives us a very clear picture as to what the end will look like as satan continues to masquerade himself under the covering of the RCC to resemble more and more like the true Church of Jesus Christ. So Church, beware!

Here are some YouTube video links that can help explain why there should be great concerns among God's people, why God entrusted this end-time ministry with that very important assignment and why we ALL should see the need to continue to pray for the Bride of Christ on the earth. **These videos should be on your "MUST WATCH!" list.**

That very elaborated eight-part series lasted a total of four weeks on both lines (USA-Haiti). During that time, we knew there would be a period of prayer and fasting that would follow. However, it wasn't until the end of the series that the Lord instructed us to have a 40-day fast with the Theme "Unveiling the Counterfeit Church." And these were the main topics of prayer that came directly from the Father's heart as we spent time in His presence:

1st Week: Praise, Adoration, Consecration;

2nd Week: Prayer for Our Individual Walk with God;

3rd Week: Prayer for The Church of Jesus Christ Worldwide;

4th & 5th Weeks: Against satan's Demonic Plans Through the Counterfeit Church;

6th Week: Praise & Thanksgiving – 24-HOUR VICTORY CELEBRATION.

Those main topics were further broken down into specific prayer points such as :

*Pray for an atmosphere of worship that will chase any spirit of irreverence and distraction in the Church of Christ. Pray for a deep hunger and thirst for Him that will saturate the Church with the very atmosphere of heaven. Pray that the plans of God for His Church in these end-times will come to pass. Pray that the Church will be drawn to Christ more and more and will focus her efforts on preparing for the return of Christ. **RELEASING the Seven Spirits of God in the Body of Christ...***

What an assignment! What an honor! What glorious anointing! To our God be all the Glory! Amen. Thank YOU Lord!

From Ashes to Abundance... *by Sister Aldene Ferdinand*

In the year 2007 two things of great significance occurred: on the one hand, Barack Hussein Obama officially announced his bid for presidency of the United States of America in February, with the news quickly going global, and on the other hand in August, a small prayer group called "Good Morning Lord" was birthed in what could be called obscurity, that is, the state of being relatively unknown, in quite the contrast. The following year, 2008, the unimaginable happened. It was historic, because Barack Obama became the first Black president of America. This was monumental! People of all nations, ages, color, creed, ethnicity and religious background came to witness his inauguration, memories that would live on forever.

Fast forward to the year 2020, which was being touted as the year of vision by the masses even prior to its arrival. *"The world was suddenly going to change. There was going to be a wake up call and everyone was miraculously going to be perfect."* Then reality set in. By the end of January, all of our New Year's resolutions were no where in sight. It was back to business as usual. Little did we know, the Almighty had something else in store.

Now, nearing its thirteenth anniversary, still under the divine leadership of Pastor Mireille Desrosiers, the prayer group, now renamed End-Time Prophetic Intercession Ministries Global (ETPIM Global), is no longer considered "small" but quite the contrary. Even though, over the years, seasons have changed for a handful of the members, the mission on the prayer group has remained the same. Having joined this group nearly three years ago, I can honestly say that God has sanctioned ETPIM Global, especially for a time like this.

During the onset of the corona pandemic, the Lord spoke to Pastor Mireille, and she answered the call which led to "The Bloodline" fasting and prayers in the month of April. Having been a Christian for quite some time and even being a great lover of family all my life, the truth is I had never engaged in such intense radical prayers for family — all types of related issues and the breaking of generational curses. Let's be clear, we could never have embarked on such a

spiritual journey without first a thorough cleansing of ourselves in addition to totally and completely surrendering to the will of God. By the close of the bloodline fast I personally began to see many changes in both my life and that of my families' lives: broken relationships mended, healing etc., to God be the Glory! Amen.

Immediately following in May was the fasting and prayers for "The Black Race." Those prayers were focused on every area for the advancement of the "Black Race," ranging from accepting Jesus as Lord and Savior to taking care of our planet and its resources, coming up with new technologies, promoting economic stability, etc. This would not have been at all possible without the knowledge gained through the in-depth teachings done by Pastor Mireille. Coming into a greater awareness and acceptance of who we are, whose we are and where we come from, helped to reinforce the concept that the "sky is the limit." Part of Deut 28 tells us of all the blessings and how God's people can access them. Before we even completed the month-long fast, somewhere near the end of the last week, the murder of George Floyd would spark a revolution. This catalyst to change put a more powerful spotlight on the "Black Lives Matter" movement, thus, creating a global response that highlights all types of disparities in the treatment of Black people across the board, and demanding correction, while witnessing many changes taking place in a very short time. The U.S. has witnessed many innocent Blacks lose their lives, however, no other killing had ever caused such a global reaction. Although God does not want His children to die in such a manner, He allowed this particular situation to happen during this season of fasting and prayer. This shows us that not only was "The Black Race" assignment ordained by Him but that He also heard our cries and will continue to answer them. What a God!

Then, the month-long teaching titled "Unveiling the Counterfeit Church" was epic. From the time I became a believer, it has always been my desire to serve the True and Living God, the Supernatural God, the Creator

of Heaven and Earth, the Giver of Life and Abba Father (the list of His attributes goes on and on) with my whole heart, and to always be in fellowship with others having said desires. As knowledge and technology advanced, and time undoubtedly is moving faster, it became clearer that instead of getting closer to God, the Church began to slowly depart from Him. A great team of evangelists, to which I belong, spearheaded by Evangelist Clover Nembhard called the EE-Team would answer the call of pursuing and serving God at any cost. This journey led us into a partnership with ETPIM Global and now we are all essentially intercessors in this phenomenal prayer group. With a longing to see the Bride of Christ come into true alignment, as such we embraced this mission wholeheartedly.

Due to the comprehensive teachings, the detailed prayer points, the laser-focused topics covering from "A" to "Z" done and executed by Pastor Mireille Desrosiers, while in total submission to God, our complete victory was already assured. During this season, I kept hearing in my spirit "I hear the sound of the abundance of rain".

I, first, thank God for who He is. For without Him, none of this would have been possible. Thank You, Lord for trusting such a true visionary, an integrous, obedient woman of God as your daughter, Pastor Mireille, to carry out this assignment and for allowing us the privilege to be a part of this historic mission. We also thank you, Pastor Mireille, for sacrificing so much of your personal time in preparation. In a year that has been called the worst of times, we also say it was the best of times because God, through you, allowed us to complete this massive undertaking, as 2 Chron 7:14 admonishes us to do, so that healing can come to our land. We thank Mr. Jean-Claude, Miriam and all of the other intercessors family members who supported us during this time. As for me, knowing that all these prayers have been heard and recorded by the Master, our Heavenly Father, (some have even been answered already and the others are on the way) I will never be the same. No, never! In Jesus' Name, Amen.

Spiritual Heart Attack - *By Sister Fiona Watson*

Heart attacks are one of the leading causes of deaths in the world. It is called, "the silent killer", because it develops slowly and silently over a period of time, with men being at greater risk than women. The heart is the center of all the operations of the human life. Every organ in the body relies on it. *"You shall love the Lord your God with all your heart, with all your soul, and with all your strength."* (Deut. 6:5)

Physical Heart: the physical heart is defined as the organ in your chest that controls the flow of the blood around the body. However, there is also a spiritual heart that determines our lives' outcome.

Spiritual Heart: Hebrew לב רחמן lebab/leb [b'bel the inner part of a person. It refers to our will, mind, consciousness, emotions and understanding. It also refers to our moral character and determination. Life flows from the physical and spiritual heart.

A large part of the world's population was born with a physically healthy heart. However, there are a number of things that can contribute to an unhealthy heart. A diet that consists of foods that are rich, processed, sugar-coated, GMOs (genetically modified organisms), high in sodium and fat is a gateway to high blood pressure, diabetes, high cholesterol and obesity, to name a few. Any one or a combination of any of these issues can interrupt the rhythm of the heart, leading to a cardiac arrest, also known as heart attack. In other words, an unhealthy

diet is a contributing factor to heart attacks. Doctors recommend a diet high in fiber; low in fat, low in sugar and sodium, also, the consumption of plenty of water, exercise and adequate rest, to maintain the function of a healthy heart.

As unbelievers, our hearts were sick and had little or no appetite for the "healthy" things of God. Instead, our hearts hungered and craved for the wrong things such as porn, gossip, foul language, lying, etc., which were our main staple. Therefore, we came to Christ with defective hearts of all different shapes and sizes. Some came with unwilling hearts, some broken hearts, some offended hearts and others with unforgiving hearts. It would have been very difficult to prevent what flows out of our hearts. When we were 'born again' God gave us a 'new heart' (heart transplant) and a new spirit.

A heart transplant gives someone with a damaged heart another shot at life. A heart transplant patient would have been given strict lifestyle changes and instructions by their surgeon for the maintenance of that new heart. For example, a healthy diet, a good exercise plan with follow-up visits would make that list. Because, going back to the old habits could seriously jeopardize that new heart. The same way the transplant patient has to care for his new heart, we too must care for our 'new heart.' Since, both the spiritual heart and the physical heart must be maintained with a balanced diet. Our Master

Surgeon gave us instructions to care for our new heart as well. *"Keep thy heart with all diligence, for out of it are the issues of life."* Proverbs 4:23 "Issues of life" are common things, problems that occurred in our lives. *"Let not your heart be troubled..."* (John 14:1)

A consistent healthy diet on the 'Bread of Life' and the 'Living Water' will maintain our hearts. Exercising the Word strengthens the muscles of the heart. Reading and meditating on the Word of God also helps to maintain our hearts. The joy of it all is, we can never overeat the 'Bread of Life' or ever be afraid of drinking too much from the 'Living Water'. It's our refusal to eat or drink of Him, that would pose a threat to our hearts.

Both the physical and the spiritual heart patient will have struggles with their 'new heart':

1) The body might reject the new heart at first and that new heart will need to be acclimated to the new body.

2) The desires of the old heart don't just go away. We will be tempted to revert. It will take practice and discipline to fight this battle. If temptation has its way and our diet starts to lack the necessary nutrients, our spiritual hearts will become defective. As a result, spiritual diabetes, cholesterol or high blood pressure could become major issues in our lives, causing us to experience a spiritual heart attack.

The Goodness of the Lord Towards Me - *by Sister Marie Gonet*

The Bible is full of inspiring verses that celebrate the goodness of God. His goodness shines through even in the most dire of circumstances. Praising God and celebrating His goodness throughout our day is a life-transforming activity. It teaches us to lift our thoughts from the trials and tribulations of life to wonder at the eternal goodness and mercy of our loving God towards us. The book of Psalm stands out as a remarkable celebration of God's goodness. And one of my favorite Bible verses is in Proverbs 3:5-6.

The Bible is the single most important book ever written. It is an eyewitness account of historical events of such magnitude that they have literally shaped the world in which we live. Without this book the Western world and a good deal of the Eastern world would be completely different today than if the events of this book had never occurred, and the best part of it it's my story, it's our story - the Negroes' Story.

Psalm 107:8-9 - *"Let them give thanks to the Lord for His lovingkindness, and for His wonders to the sons of men for He has satisfied the thirsty soul, and the hungry soul He has filled with what is good."*

Psalm 145:6-8 - *"Men shall speak of the power of Your awesome acts, and I will tell of Your greatness. They shall eagerly utter the memory of Your abundant goodness and will shout joyfully of Your righteousness. The Lord is gracious and merciful"*

Psalm 100:5 - *"For the Lord is good and his love endures forever; His faithfulness continues through all generations."*

Nahum 1:7 - *"The Lord is good, a stronghold in the day of trouble, and He knows those who take refuge in Him."*

Psalm 23:6 - *"Surely goodness and mercy shall follow me all the days of my life; and I will dwell in the house of the Lord forever."*

How have you experienced God's goodness in your own life? I invite you brothers and sisters in Christ to allow me to tell you about

my experience of the goodness of the Lord towards me, according to Psalm 34: 1-8. Like so many other days God had favored me, but allow me to tell you about a specific day that I would never forget for the rest of my life.

On March 13, 2020, while I was at work, Martine, the RN looked at me and said Marie you don't look well, I think you should go home. I went to my car and could not find the keys which were in my purse all that time, even though I always travel with two set of keys. I went back inside and told her that I couldn't find the car key. Well, it was God! She said sit down and let me call your daughter Edline to pick you up. When Edline came, they started talking together and I heard Martine say *"don't leave alone."* When we got home, Edline said to me *"do you want to go to the hospital or Urgent care?"* to which I replied *"no."* She stayed with me and the next day when I didn't show up for my prayer session, one of the prayer group members called to inquire and I then informed her of my conditions. Not long after that, Pastor Mireille also called and expressed some great concerns with the way I sounded. Soon the ministry's prayers warriors from all over were interceding for me. They sent me different kinds of teas for home remedies. Thank You Jesus! When I realized that my daughter never left my side, I started to wonder whether or not she didn't want me to die alone. She was very attentive to my care and took great steps into rebuilding my immune system. I praise His Holy Name! All the time I was bed-ridden, my mind was always in prayer. I was willing to yield to His will, but asked my Lord not to take me home without having seen all my children, grandchildren and great grandchild Matthias again, also my adopted son Sira in Uganda. I believe God heard all the prayers on my behalf and I am grateful and thankful for being alive today. I PRAISE HIS HOLY NAME, THANK YOU JESUS. I LOVE YOU!

Goodness is not about doing elaborate things to gain recognition. Oftentimes, it is the small acts of kindness we do throughout our day that mean the most to those around us. God's goodness and favor towards me isn't

based on my performance it's based on what Jesus already did for me. If you want to see God for who He really is, here's a good starting point. *"Give thanks to the Lord, for He is good."* (Ps. 136:1) *"Taste and see that the Lord is good."* (Ps. 34:8) *"Enter His gates with thanksgiving, and His courts with praise! Give thanks to Him and praise His name! For the Lord is good and His love is eternal, and His faithfulness endures to all generations."* (Ps. 100:4-5)

The Goodness of the Lord Through a 40-Day Fast

Fasting at my church is somewhat different from what most know it to be, and it is usually for a much shorter period of time. During a fast, we usually come together to sing praises to God, read the Bible and pray on different subjects all day. But after 6:00pm, we can have soup with no meat, bread, tea or water. Besides that, no one around me had ever fasted for an extended period of time, neither had I met anyone who even *talked about* fasting for 40 days until I was introduced to it through ETPIM Global. Still, the desire to do it burned in my heart. I just couldn't shake the feeling that *if only I could complete a 40-day fast*, something powerful would happen in my life! And it did! Among many other results of the fast, I am more focused, less tired, unless I overdo it as I often tend to do.

Needless to say that the 40-day fast we just completed with ETPIM Global for the Bride of Christ was very challenging to me, however, it was very uplifting and inspiring. I never had so many alarms on my cell phone, and some of them I could not even hear. Even though I couldn't follow the proposed fast due to health concerns from the events of March 13, by the grace of God I completed the fast to the best of my ability. I adjusted as necessary while being mindful of what I was consuming. I never felt hungry, and I felt so close to God. I praise His Holy Name for His goodness and for all the angels He surrounded me with! In Jesus' Name, I declare that sickness and disease can no longer stay in my body. Amen.

During that 40-day fast, I had the support

from my relatives and my ETPIM Global family that helped me stay focused. I also had the opportunity to learn so much about many things that have been going on in the world for so many centuries. Those are things that pertain to my heritage as a Negro, but that were kept secret for so long. I learned about the plot to destroy the Black Race that God had created for His glory. Through the goodness of God, God unveiled our eyes this year 2020 through many teachings through ETPIM Global that eventually led us into different periods of fasting, and of course, the most recent 40-day fast for the Bride of Christ, the Church. May His Name be praised!

God's Goodness has inspired the following quotes from some well known Christians:

1) *"The goodness of God is infinitely more wonderful than we will ever be able to comprehend."* A.W. Tozer

2) *"Remember the goodness of God in the frost of adversity."* Charles Spurgeon

3) *"We should be astonished at the goodness of God, stunned that He should bother to call us by name; our mouths wide open at His love, bewildered that at this very moment we are standing on holy ground."* Brennan Manning

4) *Do not look for evil. Look for the good-*

ness of God all around you. As you look for signs of His Presence, many more opportunities will occur for you to bless people and share God's true nature." Graham Cooke

5) *To be grateful is to recognize the Love of God in everything He has given us and He has given us everything. Every breath we draw is a gift of His love, every moment of existence is a grace, for it brings with it immense graces from Him.*

Gratitude, therefore, takes nothing for granted, is never unresponsive, is constantly awakening to new wonder and to praise of the goodness of God. For the grateful person knows that God is good, not by hearsay but by experience. And that is what makes all the difference." Thomas Merton

I want to encourage you my ETPIM Global Family to **seek the evidence of God's goodness** in your life daily. We have evidence of God's goodness all around us. Using the goodness of God scriptures as a starting point, just challenge yourself to look for the evidence of God's goodness every day. Set aside a few minutes to spend time experiencing and reflecting on God's goodness today. It will greatly bless you!

When I think about the goodness of the Lord, I consider the ways in which God re-

veals His goodness to me:

a) through the Good News of the Gospel

b) His mercy and the forgiveness of my sins. All the beauty of the world He had created just for us.

c) How He breathe life into us daily.

d) How He meets all our needs even before we ask.

e) Most of all He gives us a Pastor with a servant heart who serves God with a grateful heart. We are blessed to have her in our lives!

As I build my faith on the goodness of the Lord, I try to hold tightly unto scripture verses, and I also ask God to reveal Himself in every details of my day.

Finally, to consider and meditate on the goodness of the Lord leads our hearts to praise Him. We serve a God that is righteous and kind. A lavish giver of grace, love, mercy, hope, and goodness. The goodness of God cannot be summed up in a few words but can be experienced. Set aside some time to meditate on Psalm 145. Let the words spur you on to worship and recognize the goodness of God.

"My brothers and sisters in Christ, may your personal walk with the Lord lead you to be transformed, renewed and blessed." Amen!

Dear Black Brothers & Sisters - *by Orlane Destin*

He died for us too
I know that America has failed us
Unresponsive churches have failed us
The president has failed us
Our justice system has failed us
I know we're hurting
But God has not failed us
Jesus knows our pain

He's not a white Jesus in favor of whiteness
No matter how much history makes it seem like so
NO, He knows our pain
He knows what it feels like to be beaten, disregarded, mistreated, murdered,
To have been failed by a justice system
He is for us and has always been for us
He is a God of justice

He is a God for the oppressed
He is a God who's always near and never far
They say we're not worth basic respect
They don't value our lives
But the cross that drips with His blood
Will now and forever be enough
Enough to say that we are worthy
He sees our pain and He cries with us

40-Day Fast for Christ's Bride, the Church - *by Evangelist Clover Nembhard*

The Psalmist David wrote these beautiful words: "*Behold, how good and how pleasant it is for brethren to dwell together in unity! It is like the precious ointment upon the head, that ran down upon the beard, even Aaron's beard: that went down to the skirts of his garments.*" (Psa 133:1-2) I can gladly agree with him because I am privileged to enjoy such wonderful fellowship with the amazing family of God.

The "unity" that the psalmist wrote about is what is so desperately needed in the Church of Jesus Christ, in order to connect with one another in the Spirit, and be ready to receive and move with God's plans rather than with our own.

God is sovereign and He is always on time! He sees the state of the Church and His heart bleeds for Her. As He continues to look for willing hearts, when the need arises, He also entrusted unto Pastor Mireille this ministry of prophetic intercession because He knew she would obey Him and commit herself to the cause.

It is painful to see all the doors that were

left opened to allow the enemy access to make a mockery of the Church of Jesus Christ. Jesus laid down His life for His Bride, the Church, therefore, He gave this assignment for us to intercede on her behalf. I give God thanks for all of the intercessors who have faithfully remained at their post in order to stand in the gap for others who may have been hindered by some unexpected situations. This is what Christ's Church should look like, a strong, powerful and united army. I am grateful that God has enabled me to cover some of the sessions. I am also grateful to God for the blessings of being a member of the ETPIM Global family, and a member His army. Praise God!

The periods of fasting and prayers have helped me to be more aware of who I am, a child of God, a member of His Church and His ambassador on the earth. These are not things to be taken lightly! I am also grateful to Him for bringing me through my struggling days during the fast and for the time I was able to spend in His presence. This has made me more fired up for Jesus, helping me to take a firmer stand in my walk with

Him by being more committed to the calling God has placed on my life. I desire to love my Lord with all of me.

The Holy Spirit kept speaking this scripture verse to my heart: "*Love the Lord with all your heart, with all your soul and with all your mind and with all your strength.*" (1 Cor 15: 27) Now, I have been meditating on these words so the Holy Spirit can continue to reveal to me more of what God requires of me.

Pastor Mireille, I give God thanks for you! Your obedience, faithfulness, love and commitment to God are a blessing and an encouragement to us. I love, respect and appreciate you! I give God thanks for your husband and Miriam who are standing with you and helping you hold your hands up.

To all of my ETPIM Global family members, I love you all! May God's blessings be upon you and your families!

While He is working at answering those prayers, we will continue to send up thanksgiving prayer and praise to Abba Father.

God's continued blessing! Amen.

Delighting in the Word... - *by Deaconess Marcia Thomas*

Aspects of Meditating on the Word of God:

In the Bible, we see that God wants us to “meditate” on His Word. In the book of Joshua, we see where God commanded Joshua to not let the Book of the Law depart from his mouth, but to meditate on it day and night in order to observe and do all that is written in it. Then God promised to make his way prosperous and give him good success. (Josh 1:8) Thus, we must meditate on God’s Word day and night to have success in this life. Note that the specific command is to “meditate day and night” not just day OR night.

Sometimes, I tend to meditate on the Word mostly early in the morning, but at night I am too tired to do so as I should. Thank God, I have an evening devotional that I go over just before going to sleep, nevertheless, in these present times, we all need to be more diligent at meditating on the Word of God day and night. The benefits of meditating on God’s Word can be found, for example, in Psa 1:1-3: *“Blessed is the man who walks not in the counsel of the ungodly, nor stands in the path of sinners, nor sits in the seat of the scornful; but his delight is in the law of the Lord, and in His law he meditates day and night. He shall be like a tree planted by the rivers of water, that brings forth its fruit in its season, whose leaf also shall not wither, and whatever he does shall prosper.”*

1) We want to be like that tree that produces fruit all season long and prospers in all that the Lord has for us.

2) We can also “reflect” on the Word of God. We see an example of that in 2 Tim 2:7, where Paul advises Timothy to consider what he was told regarding being able to

endure hardship like a good soldier of Jesus Christ and to not get entangled in the affairs of this life (vv3-4).

3) With the global crises that we are all currently facing, we find that there are also many distractions. Thus, we too must endure hardship as soldiers of the Lord. This is done often by reflecting on the things that we have been taught in the Word of God. We can also look with “intent” into the Word of God. This involves paying great attention to it. Not much can be gained when we are idle with our time and then pick up God’s Word as a second thought. If we expect to get all that the Word has for us, we/I must give it first place. We/I must be intentional with it (see James 1:25.)

4) Another aspect of meditating on the Word of God, is to “dwell” in it. We find in Col 3:16 (NKJV): *“Let the word of Christ dwell in you richly in all wisdom, teaching and admonishing one another in psalms and hymns and spiritual songs, singing with grace in your hearts to the Lord.”* In Strong’s 1774, the Greek meaning for “dwell” is to be settled (stationary) in; met: To be indwelling. From ‘en’ and liked; to inhabit.

5) To “ponder” is another aspect of meditating on the Word of God. In Psa 119:95, we find that while the wicked are waiting to destroy us, we can make a decision to ponder on the statutes of the Lord. This will not only keep us in faith but also will even deliver us from the hand of the enemy when we speak it forth with boldness.

6) Another aspect of meditating the Word of God is to “consider” it. In Exodus

33:13 (KJV) Moses pleads with the Lord, saying: *“Now therefore, I pray Thee, if I have found grace in Thy sight, shew me now Thy way, that I may know Thee, that I may find grace in Thy sight: and consider that this nation is Thy people.”* We too can plead with the Lord the way Moses did, so we can know Him and know His ways better. Then we will know that He has our loved ones in His heart as we consider His Word, His love letter to us.

7) We can “eat” the Word of God. This is yet another aspect of meditating on the Word. Jeremiah 15:16 (NKJV) reads *“Your words were found, and I ate them, and Your word was to me the joy and rejoicing of my heart;”* We also eat the Word of God especially when we receive a timely Rhema (spoken) word. It enlightens our heart and brings us much joy. Finally, we read in Rev 10:9-11 (NKJV), *“So I went to the angel and said to him, ‘Give me the little book.’ And he said to me, ‘Take and eat it; and it will make your stomach bitter, but it will be as sweet as honey in your mouth.’ Then I took the little book out of the angel’s hand and ate it, and it was as sweet as honey in my mouth. But when I had eaten it, my stomach became bitter. And he said to me, ‘You must prophesy again about many peoples, nations, tongues, and kings.”* We likewise need to eat this Book, the Word of God and share it with this dying world.

Help us Lord not to be ashamed of the Gospel of our Lord and Savior Jesus Christ, for it is the power of God to salvation to everyone who hears and heeds its message.” Rom 10:9-13.

I pray that, as we truly consider these aspects of meditating on the Word of God, we would be found actually delighting In His Word! I pray this all in Jesus Mighty Name. Amen. Amen. Amen.
