

# LOVE AND GRACE MINISTRIES - HAITI

## New Year

This week, we had our first American board meeting of the new year, the recurring theme was how good God is. The way you each allow Him to bless Love & Grace through your faithfulness and generosity to this ministry is overwhelming. Thank you for continuing to partner with us. We discussed the tremendous support of Giving Tuesday, the donations of needed supplies, and the goodness of each of you. Over the years, you have given to L&G in honor of loved ones, birthday gifts, Christmas gifts, and wedding favors. Kids have had lemonade stands and birthday parties to support L&G. The list of your generosity is long, and most recently, a college graduate asked in lieu of graduation gifts to help cover the college tuition of L&G's first college student. Well last week, Emson started his first week of classes with the cost of this semester covered because of the creative and sacrificial generosity of that college graduate. Thank you for your goodness and generosity, need after need, time after time, year after year. You are appreciated more than you can know.

#### Prayer Needs

Please pray for a staff member who experienced a stroke and is having some health concerns as a result. She is young and this is very difficult for her.

Please pray as we plan to sell a vehicle that was giving difficulties in hopes to find a replacement.

Please pray for the boys in their schooling.  
Please pray as the staff and board continue to walk alongside the young men at the  
Bridge on plans for each one's future.
