Outdoor area, for obedience, agility or just a general fun session.

Just some of the space where your pets can stretch their legs.

How to find us

From A511 Stephenson's Way, take the B512 onto Hermitage Road. Half a mile along the road take a right onto Green Lane. You will find **Glebe Von Wood** half a mile along the lane on the left.

Please call the phone number on the gate or ring the bell to gain access. Please **DO NOT** open the gates, as we regularly exercise dogs off the lead. Thank you.

Boarding

On arrival, we will take from you as much information about your pet to ensure they have as comfortable a stay as possible. We need to be made aware of any needs your pet may have, if they have preference for eating at a certain time, whether they have a tendency not to like certain types of people/noises etc...

We are happy to accept pets on medication and are guided by yourselves as to the administration of creams, lotions and tablets etc. We are also happy to accept females in season in addition to any males that need to take time out from females in season at home!

On arrival your pet will spend some time with one of our staff, this may include some play time, a grooming session or a walk, whichever your pet responds to the best.

We will in addition provide your pet with:

- Three walks per day, with one of our staff (*dogs only*)
- Fussing sessions daily, to ensure clean eyes & coat and to bond with the dogs so that re-call is easier when they're off the lead (*with your permission*)
- Social contact and interaction with staff that will not only walk and groom them on a daily basis, but play with them and stimulate them physically and mentally.
- A suitable lodging and choose carefully where different dogs are placed, according to their needs and temperament.
- Provide round the clock stimulating music for them to relax to.
- Ensure correct ventilation & temperature.
- A clean environment for them to sleep and exercise in, to minimise any stress.
- End of stay wash service available for all bedding free of charge. (*as long as it will fit in our washing machine!*)

We also:

- Encourage you to bring comfort items from home to help your pet feel at ease by a familiar smell of home.
- Are happy for you to bring in your own food, chews and treats that we will give to your pet on your instructions.
- With your help we can make your pets stay with us as comfortable as possible, and hope that you will both choose to use the facilities again and again.....

Grooming

At AMK9 Dog Grooming Centre we give your dog our undivided attention during it's visit with us. For a standard bath and dry your dog will enjoy a nice warm aqua bath and be washed with the right shampoo for it's skin/coat type. Once shampooed twice we then use a satin, PH balanced conditioner to soften the coat, leaving it feeling silky clean. Your dog will then be dried and we will then apply one of our dog colognes.

Full Groom Services can be added to the standard bath/dry if required and include grooming, clipping, trimming, anal glands, claw trimming, ear cleaning/plucking and hand stripping.

Prices

Bath & Dry

Small breeds from £10
(*i.e Yorkie, Jack Russell, Westie*)
Medium breeds from £15
(*i.e Boxer, Lab, Border Collie*)
Large breeds from £20
(*i.e Burmese, GSD, Bearded Collie*)

Full Groom

Small breeds from £25
Medium breeds from £30
Large Breeds from £40

Dogs that are here for 'Boarding' will receive a further discount on above prices.

Feedback

Having never used a boarding kennel myself and never having worked in one, how we deal with your pets is based on the level of care I would expect from somebody looking after anyone of my dogs.

Your feedback and comments regarding all of our services are invaluable to us and will improve our services to both yourselves and your pets.

Your comments will always be received in a positive manner and we will endeavour to ensure continual quality and exceptional care for the pets you entrust with us.

Thank You
Andrea Wood

Training

AMK9 Dog Training School offers expert training and advice with a wide range of activities for you to learn, control and bond with your dog.

Puppy Socialisation - For a great start to your puppy's education come and join our puppy socialisation course. The 6 week course runs continuously throughout the year and is tailored for young puppies once they have had their full vaccinations.

AMK9 prides itself on having a different type of puppy socialisation class which does not just focus on obedience, but concentrates on the real world your puppy has been brought into. We like to focus on socialisation including: dogs, noise/music, people/strangers/children/postman, grooming/bathing/hair drying, large animals, vehicles etc and advice on nutrition, coat care, worming, fleas, vaccinations, crate training, dogs laws etc.

Fun Agility - Our Fun Agility session takes place at our training ground (indoors/outdoors) and is for all breeds/levels, however dogs must be over 12 months to participate. No previous experience is necessary and help/support will be given.

Boot Camps - Boot Camps are held at various times throughout the year and range from 5 -14 days. They include dog only camps to dog and handler training sessions. Camps can include obedience, fitness, agility, aggression, socialisation etc.

Weekly Classes - We offer a variety of weekly classes for all levels of dogs and handlers from beginners to advanced. These classes include Obedience, Agility and Search training.

Home Visits - Home visits are tailored to suit individual needs. Visiting a dog and handler in their own environment can help us identify problems more efficiently allowing us to assist in putting a resolution in place.

1-2-1 Training - 1-2-1 Private Training Sessions can vary from 1 hour to 3 hours long and can be tailored to suit individual needs. 1-2-1 training sessions can take place at our training ground or at your home. 1-2-1 training sessions are valuable when working with dogs who have behavioural problems or basic obedience issues.
