Volume II

## From the Desk of Mrs. Black:

Dear Parents and Families,

It has certainly been an exciting and smooth start to what promises to be a fantastic school-year. No one can deny that COVID-19 poses challenges, but we feel our health and safety protocols are strong, consistent, and working well!

With our health measures in place, Swedeborg School has been able to remain a busy place. We just finished our spirit week and we had an amazing show of support from our students and staff. Our basketball team has been cruising through their season. If you have a chance, try to catch one of their games. We had some students lead "See You at the Pole" event. It was quite amazing to watch our student leaders lead our students in prayer.

October has many upcoming events so please check out all the dates to remember on the right side of the page. We have school pictures, vision screenings, basketball games, pumpkin patch, and parent teacher conferences this month, just to name a few.

Communication is essential and we strive to connect to our students, parents, families, and community each and every day. We will continue reaching out to you with weekly Remind messages, Thursday folders, updates on Facebook, Teacherease, and our school website.

As always, we wish to express our sincere gratitude toward our entire school community. We would not be the amazing school that we are without the help and support of all of you. Thank you and may you have a safe, healthy, and happy fall season!

Sincerely,

Adreanne Black
