

In the Privacy of Your Own Heart...

As you meditate on this introduction that you have just heard about my relationship with the Word, what would you say is *your* relationship with the Word?

Remember - don't just scratch the surface. *Dig deep.*

- Are you a lover of the Word?
- Is it a burden to read? A chore that you have to do?
- Do you squeeze it in when you get a chance?
- What is your relationship with it?

As you ponder those things, I want you to think about this:

- What *would you like* your relationship with the Word to be?
- What does that look like?

Take it before the Lord.

I look forward to seeing your hunger and your thirst get stirred up for the Word. I look forward to what God wants to do in your life. 😊
