You are allowed to take 8 teacher work days throughout the year, preferably 4 each semester. You can take them as the city and county schools do or at other times, at your convenience. You can mark them in as you go or just add them at the end. This is a tentative schedule for you to follow. You may adjust it to fit your vacations and off times as you like as long as you get the correct number of days in, that is 175 total of present, absent, and teacher work days. If you have any questions let me know.

Tentative Records Day: January 10, 2022 & June 6, 2022
