A DAY IN THE SPOTLIGHT

Dazzling Diva Day- The first day young ladies will learn how to walk the runway with confidence and poise. They will learn various ways to walk the runway including different turns, directions, and paces they should use depending on the outfit. They will learn how to not only model as an individual, but as a group as well.

Dress For Success- Ladies will learn the importance of always trying to look their best. They will learn about proper hygiene and steps to looking the best they can look. Including proper nail care, taking care of their skin, and hair care.

A Princess For A Day- This day the ladies will learn just what exactly it takes to be a princess. This class will be geared towards those who are interested in pageantry. Ladies will learn how to walk in a pageant situation, how to introduce themselves, how to think on the spot, and how to conduct themselves in an interview setting

A Class Act- This class will be geared toward teaching the ladies the importance of etiquette. During this class ladies will learn how to eat with proper etiquette. They will be instructed on the importance of phone etiquette and how to leave a message. They will learn how to write thank you notes. Last, they will just learn day to day skills they should have to display proper etiquette.

Made For Success- This day will be dedicated to teaching the young ladies that each individual is different and special in their own way. We will discuss the importance of being yourself and how no one is perfect. The ladies will learn about the importance of healthy nutritional habits and physical activity.

A Day In The Spotlight- The ladies will practice all the skills they have learned the previous weeks and apply them. We will have a short fashion show in which each young lady will introduce herself.
