

Travel Accessories
2013

Since 1973 Lonely Planet has been helping curious minded travellers get to the heart of a place.

As the world's #1 travel guidebook publisher Lonely Planet provides information to nearly every destination on the planet via its printed guidebooks, website or its suite of digital offerings.

With over 100 million guidebooks sold globally Lonely Planet is now translated into 10 different languages and has 4 international offices in the US, UK and India and head office in Melbourne, Australia.

Dedicated to producing quality information for independent travellers Lonely Planet is committed to telling it like it is.

*"All you've got to do is decide to go
and the hardest part is over. So go!"*

Tony Wheeler, Lonely Planet Co-Founder.
