

Fireside Fellowship:

Walking in the Truth:

1. Why does it often seem easier to follow falsehood than it does to follow the truth?
2. How do we discern the truth from the false truths?
3. It is almost always the case that false truth enters the church from self-centered people. Do you agree or disagree? Why?
4. How is the agape love of a disciple of Christ different than worldly love?
5. Why is agape love always connected to the truth of Christ?
