

2021 has been a rougher year than we ever expected when we looked forward from 2020. We hoped to be able to welcome a new healthcare model this year.

We are still working towards this, [watch for announcements in your mail very early in January.](#)

We want community input to share with Interior Health about what we need for healthcare.

DECEMBER MEETING IS CANCELED, NEXT MEETING
JANUARY 17. 2022

Your executive is very busy this month preparing for community conversations (focus groups) gaining support from Mayors and Councils of each community and hopefully also First Nations communities.
