Some Sweet Thoughts From Trustee Berni Jankowski

Why I Want to Be a CPA Board Member

This club is very special. All guests are welcome and we come together for the music and dancing.

I'm happiest on that dance floor: dance after dance, spin after spin. The best high around!!! But, the best part of our club is all the other stuff...

A. The CPA Choir. To hear all those voices come together to sing and jam warms my heart. You can see and feel the joy.

B&C. Toys for Tots and the Golf Outing. These are most special, and make CPA stand out among many other clubs. Knowing how fortunate we are to give to others less fortunate. Our members are extremely proud and generous. These qualities make me want to be better than I am.

Thank you for letting me serve our club as a Trustee. I cannot wait until we are moving full steam ahead.
