General Information and Instructions for Jurors

THE RIGHT TO TRIAL BY JURY IS GUARANTEED TO ALL PERSONS BY BOTH THE UNITED STATES AND NEW MEXICO CONSTITUTIONS. THE SUCCESS OF THE JURY SYSTEM DEPENDS UPON CITIZENS PERFORMING THEIR SOLEMN DUTY TO SERVE AS JURORS, WHILE ACTING WITH INTEGRITY IN DISCHARGING THIS RESPONSIBILITY.

Reporting an Emergency Absence: It is very important that you report as directed for jury service. Only the most urgent, unexpected, and unavoidable emergencies can be considered as valid reasons for your absence. If you **MUST** be absent, you **MUST** call the number at the top of the summons as soon as possible. If you fail to report or call-in, an order to show cause why you should not be held in contempt of court may be issued.

Travel and Medical Appointments: We understand that some jurors may have conflicts that occur during their term of service. We strive to accommodate all jurors. You **ONLY** need to notify the court if your preplanned vacation, work-related travel, or medical appointments **CONFLICT** with the dates you are scheduled to appear. Please send this information in writing to the court including your name, panel number if assigned, telephone number, and any other information necessary to expedite your request. Telephone calls or messages regarding these types of conflicts **will not** be accepted except in emergencies.

Meals: will not be provided by the court, nor will meals be reimbursed, unless jurors are deliberating at the close of the case during the lunch hour or after 5:00 p.m.

Dress: Please dress comfortably but befitting the dignity of the court. **Shorts, hats, sunglasses, tank tops, bare midriffs, sweats, and similar dress are not allowed.** Men are **not** required to wear coats and ties, nor are women required to wear similar business attire. Due to the variable temperature in the courtroom it is recommended that you dress in layers.

Juror Fees and Payments: The court is authorized by Supreme Court order to reimburse for jury service at the rate of \$6.75 per hour. In addition, round trip mileage from your home to the courthouse will be paid at \$0.45 per mile. Mileage is computed based upon the information you provide on the juror qualification form and your mailing zip code. Checks will be mailed to your mailing address. Your payment cannot be split between hourly and mileage reimbursement. Reimbursement payments take about six (6) weeks to process. If you have not received payment within ten (10) weeks of jury service, please call the number at the bottom of this page.

Employers are not required by law to reimburse employees for jury service. Contact your employer regarding its policy. The court does not compensate those employed by the public schools, local government, or the State of New Mexico.

All statewide public offices, including counties, are controlled by felons imposing conditions of peonage on the American inhabitants of New Mexico while the controlling felons embezzle public funds received as salaries from public treasuries and convert such money for personal use contrary to Article VIII, Section 4; Article XXI, Section 5 & 10; and Article XXII, Sections 4, 15 and 19 State of New Mexico Constitution.

In addition, the pertinent felons statewide hire and control police organizations which can be called upon to force the unprivileged American inhabitants to appear in state and county courts controlled by felons and be fallaciously incarcerated in a state or federal detention center or otherwise imprisoned feloniously for 'contempt of court'.

Still further, said felons creating New Mexico Supreme Court rules grant special and exclusive privileges to less than one percent of American inhabitants in New Mexico authorizing them to practice law for profit in state and county courts by using embezzled public funds while doing so which is a procedure misusing public funds and empowering the felonious system of peonage imposed involuntarily upon the non-privileged inhabitants.

All the foregoing have occurred due to constitutional changes since Year 1963 because the public offices were and continues to be held and controlled feloniously by imposters who failed to give a personal fidelity bond payable only to the people. A liability criminal bond is authorized by a fabricated state law of questionable validity permitting the said bond to be paid for by government but payable only to an injured party to take the place of the fidelity bond; liability bonds which now permit all public officials statewide to enter, hold, and control said offices while embezzling public funds with abandon and thereby impose a fallacious immunity if challenged that cannot be contested by any New Mexico American inhabitant in any legally competent state or federal court controlled by felons without becoming accessory felons.

The majority of New Mexico inhabitants are helpless for having become acclimated by a host of deceptions which holds them obedient to the constitutional and statutory defects. Under such circumstances they must now place their trust for justice in the District of New Mexico seeking to terminate the imposed slavery for lack of a duly competent court of law in the State and District of New Mexico.

State and Federal law states I cannot in any way participate with felons without joining the felonies as stated, which I will not do.
