

# MAINTAINING YOUR DELIVERANCE—IMPARTING GOD'S WORD

God's word  
is life, health,  
& healing!

In my first pamphlet: Jul-Aug 2008, I explained the steps needed in order to maintain your deliverance. The "ingesting" of God's word into our soul, mind, and heart, enables us to truly live a victorious life, always winning over the devil and his army. Our mind has to be totally transformed, Rom. 12:1-2. We have to strip off the old man and put on the new man and begin to walk, make decisions, and do as He did. We must have a "changed" mind in order to do it with passion, consistency and zeal. Following are my "**Impartation Scriptures**" for you to speak aloud and to get into your heart. Very soon you will begin to walk or live as the scriptures you're speaking. You must bind, rebuke, and cast out bad habits such as laziness, idleness, self will, and procrastination and press to live out God's word. You will win if you don't give up! With the infilling of the Holy Ghost came awesome benefits to the believer. God gave us "The Fruit of the Spirit" Gal. 5:22-23. Unfortunately, due to self-will, disobedience, flesh, unforgiveness, anger, and a slew of evil spirits, God's fruit doesn't prosper in our lives as they could. We're not consistently fruitful. We are joyful and gentle one day, but two days later we can't stand people. Jesus Christ consistently expressed His fruit. The fruit of the Spirit is Christ's character, His nature.
