As of now, masks are optional. We ask that you keep your dancer home if they are ill, exhibiting respiratory symptoms, having GI issues, fever, etc.

The Oconto Falls senior/community center, where we rent and hold classes, will eventually be undergoing some renovations. We do not know when they will start, but as soon as the center knows, they will inform us. We hold classes in the upper and lower level of the building and have been promised that the renovations would take place one level at a time. This means that most of our classes would not be affected. Some classes, however, could potentially move to a Thursday or Friday night. If the situation arose, a Saturday could also potentially be utilized. As we do not know when renovations would begin, we need to know that families are flexible and could bring their dancer on a different night for a designated period of time, if the situation deemed necessary.

If there is a timeframe where classes are shut down due to COVID-19 closures, we would move to virtual learning through the Band App.

Thank you for your patience as we move forward together. We are looking forward to a wonderful year. God bless!

Dancingly yours and dancin' for Him,

Tina Kostreva
