REFLECTIONS

Hello to you all,

Happy Easter and a blessed spring, a time for new beginnings and for new opportunities. That is what I am praying for to come back into our lives, our church, and our communities. I pray we keep moving forward and taking the steps to feeling safe, secure, and full of happiness. We are all back to in-person gathering on Sundays starting Easter Sunday. It feels good to be back in fellowship with each other! It has been a tough year. One year ago, we were not meeting, and we were so uneasy about everything. One year ago, we were trying new things and scrambling to figure out what we could and could not do. Does it even feel like a year? For some of us it feels even longer. I do ponder and as I sit here and think about the good that has come from this past year. I have seen so much: caring, goodness, positive hope, concern for others and love for people, the church, and our communities. An outpouring to and for all. We have reached out to so many new people because of the way we had to change things. It is an outreach of love and compassion through the Holy Spirit that is inside of us. Not all change is bad. We need to breathe new life into old sometimes stale life to get our motors running again; to bring back a spark to reenergize and make us feel alive. We took advantage of the lemons we were given and made lemonade! I know... I know... but it is true. We did what we needed to do and kept our church connected and going! We all have a part in that!

One more thing to think about. This past year has us longing to get back out and be with one another. Not just on a screen, but really be back together, face to face, hugging, and really sharing time. We are yearning for when that time comes. Now, think about how GOD is feeling. Do you think GOD is wanting and waiting the same way we are currently? Is GOD feeling the same way about us, wanting to come, gather, and sit down with Jesus, face to face and to share time? Did we spend more time with GOD during these months of separation? What we long for now after only a year, GOD has yearned for since Adam and Eve. Does that put things in perspective? GOD has wanted to be part of our lives since the dawn of time. Did our connection become closer to Jesus? We want so badly for this past year to be over and cannot wait for it to be behind us. Think about how GOD has felt for these thousands of years patiently waiting. GOD wants to share and dwell in a constant relationship with us. We hear and read our bibles on how GOD longs to be with us. Let us keep in a relationship with family, friends, but most importantly, with our Lord and Savior Jesus Christ. When the time is here that we can come face to face without fear, let us be reminded that there was never any fear when we are face to face with Jesus. What does the future hold for us all? Time will tell. Let us stay in the ways of what got us through this year. Keep in the confidence with each step that the light of our Lord is shining and showing us the way. We will find our way in all things with Jesus. Be a light to all when we can gather face to face. Amen

Love and Laughter

Press Release

February 25, 2021

[General Conference Postponed to 2022](#)

Meeting on February 20, the Commission on the General Conference made a decision to further postpone the 2020 General Conference until August 29 – September 6, 2022 in Minneapolis, Minn. as the COVID-19 pandemic continues to affect the safety of mass gatherings and travel. A link to the full announcement is included below.

[Bishops call Special Session of General Conference, create timeline for moving forward](#)

WASHINGTON, D.C. – In response to the further postponement of the 2020 General Conference, the Council of Bishops (COB) is calling a Special Session of the General Conference of The United Methodist Church (UMC) to be convened online on May 8, 2021.

[According to the call letter signed](#) by COB President Bishop Cynthia Fierro Harvey, the Special Session will be held in accordance with Division Two - Section II - Article II of The Constitution of The United Methodist Church as recorded in Paragraph ¶14 of *The Book of Discipline* (2016).

The purpose of the 2021 Special Session of the General Conference will be limited to gaining a quorum in order to suspend the rules for the sole purpose of allowing the use of paper ballots to act upon 12 pieces of legislation that would enable the church to effectively continue its work until the postponed 2020 General Conference is held in 2022. While other potential amendments were considered, it was agreed that these 12 pieces of legislation would enable the church to continue its administrative functions appropriately.

Holcombe UMC Mission Committee Minutes – March 2021

We were unable to meet for our regular March meeting but there are several important projects that the group has been working on:

UMCOR Sunday was held on March 14 and a special offering taken. If you would still like to contribute to this, it may still be done, either at an in-person service, or by mailing a check to the church. Please make a note on the offering that it is for UMCOR.

The **“Noisy Bucket”** is available at church by the offering plate for making an offering, or this also may be included in any offering mailed to the church. As above, just make a note for any special offering designation. During the Covid shutdown we were unable to support this mission with our regular monthly noisy bucket collections, so we want to remind the congregation of this great mission project!

Annual conference **Ingathering** collection. It has again been asked of all congregations to help with the two kits that they are requesting. A list of supplies & instructions is posted at the church and is also included in this newsletter. A collection tub is available for your donations of supplies or completed kits.

Our collection of needed school supplies. Please see the posting at the church for needed items.

We have funds available for scholarships for those wishing to attend one of our Wisconsin UMC camps. All camping information and application is online this year. Let us know if you are interested in attending & would like support from our church. The WI conference also has scholarships available!

Looking ahead- Our next meeting will be on Tuesday, April 13th at 1:00 pm. We will be making plans for our April through June projects.

Anson has been happy to see our members again at services on Sunday! We continue to distance and mask; all are welcome. We are not as happy to see the Asian Beetles show up on warm days. They seem to love our south facing windows. Our plan is to attack them regularly with a vacuum!!

The glassy gals continue to meet weekly to prepare for our Spring Plant and Glass sale. The focus is cement stepping stones and garden stakes. The sale will be either Saturday May 15th or May 22nd. We want to be sure our plants have a chance to show themselves and prepare for sharing with others. Details to follow...will we be inside or outside???
