

## **“BLACK HISTORY: A CULTURAL AWARENESS EXPERIENCE”**

*Dr. Loretta C. Johnson* – Copyright Strictly Enforced

### **A BASIC INTRODUCTION:**

Predicated upon the theme, “February: A Season of Manifested LOVE!,” **LOVE** is the “**INTEGRAL**” that guides one’s input into this topic, etc. In other words: 1) what one THINKS; 2) what one SAYS; 3) what one DOES – then, eventually – the output: **APPRECIATION, POSITIVE REACTION, POSITIVE APPLICATION, ETC.** of what was learned as a result of **THE CULTURAL AWARENESS** of persons who are members of his/her neighborhood, community, school, church, etc.

During the year, LMMI would like participants to become even more Aware, Conscious, etc. of persons “**DIFFERENT**” from himself/herself. The “**LOVE**” talked of in the **FEBRUARY THEME** will become this “**INTEGRAL**.”

### **OBJECTIVE:**

To develop an Awareness and Appreciation of/for persons “different from oneself” – realizing this can **BE DONE/MANIFESTED** through having the “**LOVE OF GOD**” within one’s heart!

### **YOUR TASK:**

Develop non-traditional strategies, etc. for implementing the wording in this Document’s **INTRODUCTION and OBJECTIVE resulting in a POSITIVE OUTCOME.**
