

NUTRICENTIALS®

PILLOW GLOW

SLEEPING MASK

Your skin has a mind of its own. But now you can make it resilient to what life throws at you with a bioadaptive skin care system that helps your skin adapt to environmental stressors like late nights and pollution and protects against UV and blue light rays—for better, balanced skin every single day. It's so intuitive, it knows what your skin needs before you do. And with clean formulas, you can feel confident about what you're putting on your skin. Nutricentials Bioadaptive Skin Care™. Make every day a great skin day.

MEET PILLOW GLOW

This moisture-recharging gel-cream mask delivers an intense rush of immediate and long-lasting overnight hydration. Just apply before bed to support your skin's natural moisture barrier throughout the night and wake up to skin that is glowing, radiant, and 150% more hydrated. Unique, scientifically proven ingredients like Red Algae and Apple Extract are perfect for skin that's parched. Roundhead Bush Clover helps improve the look of dull, uneven, stressed, and tired skin caused by blue light exposure. Bioadaptive botanicals help protect against, and increase your skin's resilience to, everyday stressors. And Deep Sea Water promotes luminosity as it restores skin-essential minerals that are depleted during your day. Nutricentials Pillow Glow is your secret to skin that looks and feels calmed, radiant, and refreshed, so you wake up to a healthy, hydrated glow.

WHY YOU'LL LOVE IT

- Made with bioadaptive botanicals, known as adaptogens, that help your skin adapt to its environment.
- A clean formula with worry-free ingredients you can feel good about putting on your skin.
- Protects against, and increases resiliency to, the damaging effects of stress, pollution, and free radicals.
- Helps improve the look of dull, uneven, stressed, and tired skin caused by daily stressors, including blue light exposure.
- Provides immediate hydration and 24 hours of continuous moisturization.
- Increases moisture by 150% overnight, for skin that looks and feels smooth and supple.

- Proven to increase glow, radiance, and luminosity overnight, so skin looks brighter and healthier the next morning.
- Reduces signs of fatigue, so skin looks rested and refreshed.
- Reduces the appearance of pores.
- Supports skin's natural moisture barrier to help replenish and retain moisture.
- Supports skin's overnight recovery process with rejuvenating hydration.
- Replenishes essential minerals that are depleted throughout the day.

WHAT POWERS IT

- **Bioadaptive Botanical Complex** (Rhodiola, Maral Root, Siberian Ginseng, Chaga Mushroom, and Resurrection Plant)—a blend of botanical extracts from plants known as adaptogens that thrive in extreme climates and can help your skin bounce back from stressors.
- **Roundhead Bush Clover** (Lespedeza Capitata Leaf/Stem Extract)—helps improve the look of dull, uneven, stressed, and tired skin caused by blue light exposure.
- **Deep Sea Water**—obtained from Noimoutier, also called the Island of Mimosas, this unique ingredient helps improve luminosity, minimize the appearance of pores, soothe the skin, and replenish skin-essential minerals, such as zinc, manganese, calcium, and sodium that are depleted throughout the day.
- **Red Algae**—sourced from Scandinavian waters, Red Algae traps nearly its own weight in water to boost skin's natural moisture barrier and help skin retain hydration.
- **Apple Extract**—a natural moisturizing saccharide complex that provides a burst of moisturization.

NUTRICENTIALS® PILLOW GLOW SLEEPING MASK

CLINICALS THAT PROVE IT

CLINICAL GRADING

In a third-party study, after a single application, subjects experienced:

+207% immediate hydration

+150% hydration after 8 hours

And continuous hydration for a full 24 hours

SELF-PERCEPTION

In an in-house study, subjects applied Pillow Glow once before going to sleep and graded themselves on the following results the next morning:

Consumer Perception Results—%
Positive Responses After a Single Use

HOW TO USE IT

Apply a generous amount on top of moisturizer as the last step in your nighttime routine. Allow to absorb slightly. Leave on for overnight hydration. Use 2–3 times per week or as needed.

- Nutricentials Celltrex® Always Right Recovery Fluid
- Nutricentials Thirst Fix Hydrating Gel Cream
- Nutricentials Dew All Day Moisture Restore Cream
- Nutricentials Moisturize Me Intense Hydrating Cream

LEARN MORE ABOUT IT

What are bioadaptive botanicals?

Bioadaptive botanicals are plants that thrive in extreme climates thanks to their adaptive properties. These special properties help your skin adapt to its changing and unique environment so it can recover from—and gain resiliency to—environmental stressors.

How is Pillow Glow different from a moisturizer?

Pillow Glow is meant to be used as the last step of your nighttime skin care routine to provide an extra boost of overnight hydration. The mask completely absorbs into your skin as you sleep, helping you look more rested and vibrant when you wake up the next morning.

Can I use Pillow Glow during the day?

You can, but Pillow Glow is specially designed to work best right before you go to sleep to complement your skin's natural nighttime recovery process. It refreshes and rejuvenates skin overnight, so you wake up to a hydrated glow in the morning.

How does Nutricentials support Nu Skin's commitment to become more sustainable?

The Pillow Glow jar is made from virgin polypropylene (PP) plastic. Please check your local capabilities and recycle the jar where possible.

Nutricentials bottles are made from 100% PCR, and our tubes are made with 34–40% PCR, saving a combined total of 57.5 tons of virgin plastic every year.* Plus, more than 90% of our palm ingredients are sustainably sourced, as certified by the Roundtable on Sustainable Palm Oil (RSPO). Please check your local capabilities and recycle all bottles, cartons, and jars, where possible. By purchasing Nutricentials, you're joining us in taking an active, engaged stride to ensure the future is bright for both the planet and each of us. Please visit www.nuskin.com/sustainability for more information.

*Based on 2021 global forecasts.

What is the Nutricentials commitment to clean formulas?

With our commitment to transparency, sustainability, and using only the best of science and nature, we bring you clean formulas based on our Nutricentials worry-free ingredient list—all in sustainable packaging. So you can feel confident in your natural glow and in your skin care. Nutricentials Bioadaptive Skin Care™ is responsible skin care for conscious consumers.
