The Everyday Wonder of

the Body

Let's explore how to live everyday wonder through the magnificent and magical creation that is our body. The body you have, right here and right now, is an expression of God. By loving it, learning about it, and listening to it, we come closer and closer to the Divine.

Gratitude and a New Chapter!

For twenty-six months Center for Spiritual Living St. George has been on a Divinely-led adventure to find a new minister. Through the pandemic, which hit nearly simultaneously, the Center's leadership has engaged in a thoughtful, prayerful, visionary mission to support our community and keep the Center alive and well. It seems we have more than accomplished that.

The co-creation process to find a senior minister is challenging, amazing, fun, and connecting. As

a team, the leadership worked in collaboration, thoughtfulness, integrity and open-heartedness - creating a foundational model for who we are and how we work together for the Greatest and Highest Good. And YOU, our members and friends, have participated in a beautiful way with your prayer, holding the Sacred Covenant, attending events, and sharing your thoughts. This contribution cannot be overstated or overvalued!!

And the process is now complete!! We certainly see earthly evidence of the power of Divine Connection and prayer.

We now commence the next chapter as we welcome **Reverend Joe Kovach** to our community!! He and his family will add new dimension, direction, perspective and richness to CSLSG. May Spirit bring opportunity, guidance and ease to Reverend Joe (and the Center) as he starts commuting from Las Vegas in June; and to Divine movement toward the transition to St George. Trust and Curiosity abounds!

[Here](#) is a video message from Rev. Joe!

I would like to express humongous gratitude for all who made this gift to our community possible - The Living Spirit, of course, as It moved through-and-as the hands, feet, minds, hearts and voices of our Members and Friends, the Search Committee, the Service Team, the Practitioner Core, the Core Council, and all of our Guest Speakers.

We ARE Center for Spiritual Living St. George. In Love and Light we expand into an ever-greater mission and vision. How fun it will be to witness and participate in the Unfolding!!

In Joy and Gratitude.

The Everyday Wonder of the Body

The body is the one thing in this world which is completely and intimately ours. Rather than engaging in a spirituality that denies the body, we can move closer to an experience of God here and now by fully engaging with the body. Our bodies are magnificent and magical conduits between God and our individual consciousness, and ought to be celebrated for the way they allow us to experience the world in which we live. All bodies are good bodies, and the body offers a direct and clear path to the Divine experience, if we will allow it. By loving the body, using it to connect to our minds and hearts, and listening to its wisdom, we celebrate its magnificence and awaken to this everyday wonder.

St George Interfaith Council Opportunities

With over 28,000 Hispanics in Washington County the **Centro Latino** serves to teach English and help with other services to help the adjustment into this country. This wonderful service is provided in the church building next to the St George Temple where The Church of Jesus Christ of Latter-day Saints has provided classrooms and spaces. Mike would love to put a poster up in any church or any location plus he and Gordon Hamm will speak to any group that invites them. This much-needed service will bless those who learn English.
