COMPETITIONS, COSTUMES, RECITAL AND MORE!

*****Mini-Merger ballet, hip hop and tap will NOT be registered in any competitions OR festivals. Our Mini-Mergers will perform at our year end recital!**

After two seasons of live performances and festivals cancelled by the Covid-19 pandemic, we are finally seeing the light at the end of the tunnel and are hopeful that all of our dancers will be able to perform this year whether it be at a festival/competition or our year end recital.

If you are new to Emerge and have a dancer that will likely be in a festival with us, we encourage you to read our article "Why we compete" on our webpage at

<https://emergedanceacademy.ca/competitions-festivals>.

Returning Emerge Families: Many of you have credit tied up in our competitions and festivals so we will make sure this is added to your accounts prior to you paying any entry fees this season. Below is a list of the festivals we will be participating in this season.

PLEASE NOTE: The entry fees have not been released from the festivals however, a typical cost for festival fees is \$40-\$45 per class per festival.

Costumes

We are going to be ordering costumes again this season! Costume fees will be due in January this season and we are estimating that costumes will be between \$70-\$100 per costume depending on age groups and exchange/shipping rates from the company we order from. More information regarding costumes will be released in December.
