## How to do Cherokee 2 Needle Bead applique.

<https://gilcrease.org/how-to-do-chokeee-two-needle-applique-beadwork/>

Gilcrease Museum of Tulsa, OK. provides detailed how to instructions and a video to show how to do authentic bead applique using the 2 needle method.

The screenshot shows a web browser window with the address bar displaying "gilcrease.org". The page content includes a video player with the title "Maker Moment: Cherokee Two-Needle Appliqué Beadwork". The video player interface includes a play button in the center, a "Watch later" button, and a "Share" button. Below the video player, there is a blue button labeled "Materials Needed:". The video content shows a person's hands working on a piece of fabric with a yellow embroidery hoop, using a black marker to draw a design. A pair of scissors and a ball of blue thread are also visible on the table.

A really good publication talking about the history of Cherokee Beadwork.
