

WILLIAMS SCHOLAR ACADEMY

Now Recruiting Board Members

Williams Scholar Academy (WSA) is now recruiting new members to join our Board of Directors. As Abbeville's first charter school, we are committed to fostering innovative ideas within the organization and seeking fresh voices on the Board. This is an exciting time to become involved in an opportunity to grow with a dynamic, innovative, and history-making initiative designed to serve the scholars of Abbeville.

ABOUT US

The mission of **WSA** is to foster college-ready graduates by providing a learning community where all scholars, regardless of learning style, limits, or abilities are empowered to become innovative thinkers through their learning experiences, which engages them in the interconnectedness of the academic disciplines with cultural, character, and social responsibility.

The vision of **WSA** is to provide the opportunity for 6th-12th grade scholars to achieve post-secondary success and become leaders in their communities, Louisiana, and beyond. We envision a future in which our scholars graduate from Williams Scholar Academy and matriculate into colleges and universities of their choice and, empowered by education, choose their own paths in life.
