Be Missionary Disciples: Our Parish Future

The Archdiocese of Baltimore is realigning all parishes and reviewing staffs, parish viability and vitality. This includes clustering, continuing parishes as they are or closing some churches. We want to be ready for this process and situate our Parish for a vital and viable future! In the next months we will be reviewing Parish Survey Data of our Parish along with the region (Frederick and Washington Counties in Md.).

Overview of Survey Data: key data includes population...parish giving/finances, etc...

All results, including individual comments are posted online at www.stpetersofhancock.org and are available in back of church.

Where to From Here: We will hold another session in July on Survey Data and review it more in depth. We will form *a Parish Survey Group* for this purpose and plan a reflection on our Parish strengths and challenges and write a *Mission Readiness Statement* detailing this by September. The Archdiocese will review all Mission Statements and make determinations of Parish viability

We hope to hold “listening sessions” with key groups of the parish in next month

If you can help we need you! Please call Office to inquire and volunteer to participate in our Parishes’ future!

PEACE and Blessings + Father Jack Lombardi
