Optional Services

Engine Bay Detail

\$77/hr

The engine bay is steam cleaned. Plastics/rubbers are UV treated and all chrome/metals are cleaned as well as painted areas. All electrics are cling wrapped for safety.

Headlight Restoration

\$99/hr

Plastic headlights are extensively treated to restore the original clarity and then are protected using a high quality coating.

Plastic/rubber/chrome Rejuvenation & Protection

Choose one of these to receive a semi-permanent UV protectant which will improve the colour and lustre. *Please call to arrange a quote.*

Orange Peel Reduction/removal

Does your paint lack clarity? It could be orange peel, this service is the most labour intensive but offers a near concours finish bringing old, resprayed and factory paint looking like it should! *Call to arrange a quote.*
