Property Address: 223 Sea Horse Dr, Palacios, TX 77465 (Owner of lots 57 & 58 Section 4)

I Jeff Young would like to run for the Vice President position at Tri-County Point Property Owner Association (POA). My wife (Toni) and I are the proud owners of 223 Sea Horse Dr, section 4 lots 57 & 58. We have owned the property for one year and have been working hard to make it our second home. In our short time in the community, we have meet so many wonderful and helpful people. Our future plans are to have our home fit in and enhance the community. Since we purchased the property, we have spent several weekends each month enjoying the beautiful and peaceful community.

First and foremost, I am a proud Marine and served with Bravo 1st Battalion 5th Marine Division. I am a retiree from Center Point Energy after 40 years of service as a Power Lineman. In my forty years of service, I held many positions from helper to Head Lineman. I was also an Officer with IBEW Local 66 for 20 years. Positions I held include two terms as Vice President, Examining Board, Executive Board, and was election as a delegate to the International Convention twice. As well, I served on the advisory committee for the IBEW Local 66 Credit Union.

With all the positions I have held over the years, I feel that I would be a great asset to the Tri-County Point POA. I am very knowledgeable of by-laws, holding meetings, making decisions, and am very supportive in assisting other board members any way I can.

I know that I will be a great asset to the Tri-County Point POA for I am eager to make our community the best it can be.

Please know that I understand that it is the responsibility of the Board of Directors to act in the best interest of the Tri County Point area and not the interest of any other company or agency when discussing or voting on all matters that come before the Tri-County Point Board of Directors.

Vision Statement:

I want to give property owners a voice within the board of directors as well as improve the overall community.

Kind Regards,

Jeffrey A. Young
