

GLOBEFORM ANALYSIS - MAJESTIC HARBOR

MAJESTIC HARBOR has one piece of form in the book saying he is a genuine Grade One runner, but all his other races indicate that he is not. He served up quite a surprise when winning the Gold Cup at Santa Anita (G1) in June, beating Clubhouse Ride by over six lengths. Imperative was third and a way-below-form Game On Dude checked in fourth. Majestic Harbor has since twice met Shared Belief, and twice been beaten a long way by the top three-year-old.

*That his best form came at Santa Anita is a plus, his inconsistency a minus. **Globeform 117***

VALUE BETS

250-1, 16-1, 10-1, 6-1, 5-1...

Bookmakers have priced up Breeders' Cup races, and a handful of horses stick out as superb value bets.

A couple of them are tasty at 10-1 and 16-1, while a very strong trio, all overpriced, offer a massive 250-1 treble. This is the time to start
