## SPORTS REPORT

By Lisa Williams

SEPTEMBER 2022

Welcome to the BSR sports column.

Well what an interesting start to our summer sports season Mother Nature has thrown at us!

Firstly to Cricket, our Brinkworth/Koolunga Cricket team known as the "Gold Caps" field a senior A1 team and an Under 16 mixed Division 1 team, which both play on Saturdays. We also have an Under 12 mixed Division 3 team to cater to the younger players which usually holds their games on a Friday night. This ensures they all get a decent go at both bowling and batting as well as the fielding aspects to prepare them for the bigger divisions down the track. Trainings for all grades is held on Thursday nights at the Brinkworth Oval nets. The Gold Caps are a successful, friendly and inclusive team which welcomes new players. For more information please contact Paul Meyer on 0428462077 or Simon Goss on 0408464795.

Brinkworth Bowls Club has also commenced its season with 2 divisions available for people to play. BBC encourages new people to come and try bowls on a Thursday night at practice. No experience necessary just

**Report from the chair:**

Its November already and its less than eight weeks to Christmas. It's quite a busy time for us here in the Progress Association. Before the end of the year we have the Town 130<sup>th</sup> Birthday Party, the Christmas Lights Competition and the Town Christmas Party.

In preparing for a speech I have to give at the Town Birthday it really has been brought home to me how significant the railway was to the birth of the town. In the heyday of the rail system it must have been marvellous to be able to board a train in Brinkworth in the morning, go to Adelaide and do some shopping or visit family and friends and then arrive back home in the evening. I have seen a map which shows the national rail network as it was around 1945 (and therefore probably for some time after) and so not only would you have been able to travel within the state from Brinkworth but also throughout the whole country. It constantly amazes me the amount of engineering ingenuity and work that was invested in building the rail network system, a lot of the remnants of which are still visible today. You only have to walk around our own township to see this. I have to admit that it is certainly on my and Janet's bucket list to make a trip on either the Ghan or the Indian Pacific.

I am looking forward to seeing everybody at the Town Birthday and Christmas Party and also to enjoying all the lights decorating peoples gardens. As I mentioned in last month's article I always look forward to members of the community coming to our Progress Meetings and perhaps joining us in our work.

Dear Editor,

The swooping behaviour of a female magpie in Main Street was not acceptable in our community. Residents and visitors have endured months of trauma and injury while collecting their mail, using the trail or simply going about their daily lives.

Until recently I was in awe of magpies, their carolling and organised territorial system of living. Unfortunately, one rogue magpie has eroded my confidence and I now find myself being wary around any magpie, anywhere.

Now that the breeding season is over, the bird should be relocated as soon as possible.

I do not wish to experience such anxiety and fear again next year.

Yours faithfully,

Judy Goss.

come out and enjoy a roll and the social aspects that bowls has to offer. Games are usually on a Saturday afternoon usually including a delicious afternoon tea with many other tournaments available throughout the season.

Some exciting news to report for BBC was the securing of a grant and the installation of solar panels for the club. Thankyou and congratulations to the committee and especially Treasurer Nancy White for all the work to secure this valuable asset for the club. Power is a major drain on all club finances and this will go a long way to reducing the club overheads. For more details please contact President Barry Goss or head over to the green on a Thursday night for a drink and some information.

For tennis fans we have the Koolunga Tennis club in full swing. The tennis club caters from young school aged through to the senior grades. The club runs "Hot Shots" on Thursday nights during the school term 4. Hot Shots is for school (or Kindy if able to follow instruction) aged kids as a way to develop the coordination and skills to prepare them for full tennis via lots of games and fun. They have an Under 14 D grade which holds training on Thursday nights also and senior levels as well. The tennis club is encouraging of all ages and abilities weather you are a returning player or never played before head over to Koolunga for a hit if you are keen. Some of our talented juniors have already started tournaments with The Foundation Cup held at Berri earlier in October with great success. For more information contact President James Goss on 0409420826 or join the Koolunga Tennis Facebook Page.

That's all for this month. Ge out there and enjoy your sport!

**But anyone can still pop along any other time you feel like it.**

**The car park entrance is off Belling St.**

We had a good time on the 27th. Tea was drunk, new plantings admired, a few weeds and some old plants that had gone to seed pulled out, some harvesting done and plans made for signage. The beds are nice and tidy now and there is room for more summer veg.

There is also plenty of lush silverbeet and some red lettuce leaves waiting to be picked and a lovely red cabbage that will be needing to be picked in a week or two.

## With the reopening of the Office for Recreation, Sport and Racing's grant funding program, Council is again preparing a grant application to support construction of the Wool Trail between Blyth and Brinkworth.

The Wool Trail will be an exciting 18km walking and cycling trail winding its way through the picturesque Mid North landscape between Brinkworth and Blyth.

The trail will deliver free active recreation opportunities for both local users and interested tourists as the area's only off-road exercise trail featuring educational materials on the many native trees and abundant birdlife in the district.

The Wool Trail is so named because it follows the route taken by bullock teams delivering wool south to Port Adelaide Wool Stores, honouring this journey which helped establish the economic prosperity in the Mid North region.

Community support is viewed as one of the key application assessment criteria and your pledge to support the project will be vital in building our case for funding assistance.

With new walking trail projects, the government will be backing these with 75 per cent of the total project cost so any investment we get from the community on top of Council's contribution will greatly leverage the overall project budget.

**We are seeking pledges as soon as possible to finalise the project plan and overall budget.**  
**Please respond before Friday 11<sup>th</sup> November.**

For those offering in-kind support for carting scalps from Clare Quarry's site at Spalding to the Wool Trail please work on a value of \$14.50/tonne + GST.

For those offering in-kind support in the way of just labour, work on a value of \$25.00/hr. + GST (this value is set by the Office for Recreation, Sport & Racing).

For any further information or a copy of the "Project Support Form" please contact Glen Growden Email: admin@wrc.sa.gov.au. Phone 8862 0800 or 0457 193 998.

### **Why Wear a Poppy ?**

"Please wear a poppy" the lady said,  
And held one forth, but I shook my head.  
Then I stopped and watched as she  
offered them there,

And her face was old and lined with care,

But beneath the scars the years had  
made,  
There remained a smile that refused to  
fade.

A boy came whistling down the street,  
Bouncing along on carefree feet.

His smile was full of joy and fun,  
"Lady" said he "may I have one?"  
When she pinned it on he turned to say.  
"Why do we wear a poppy today?"

The lady smiled in her wistful way.  
And answered "This is Remembrance Day.  
"And the poppy there is a symbol for  
The gallant men who died in war.

"And because they did, you and I are free,  
That's why we wear a poppy you see.  
I had a boy about your size,  
With golden hair and big blue eyes.

"He loved to play and jump and shout,  
Free as a bird, he would race about.  
As the years went by, he learned and  
grew,  
And became a man - as you will too.

"He was fine and strong, with a boyish  
smile,  
But he seemed with us such a little while.  
When war broke out and he went away.  
I still remember his face that day.

"When he smiled at me and said "Good-  
bye,  
"I'll be back soon Mum. so please don't  
cry."  
But the war went on and he had to stay,  
"And all I could do was wait and pray.

"His letters told of the awful fight.  
"(I can see it still in my dreams at night)."  
"With the tanks and guns and cruel barbed  
wire.  
And the mines and bullets, the bombs and  
fire

"Till at last, at last, the war was won.  
That's why we wear a poppy son"  
The small boy turned to as if to go.

Then said. "Thanks lady, I'm glad to know."

"That sure sounds like an awful fight,  
But your son- did he come back alright?"  
A tear rolled down each faded cheek.  
She shook her head but didn't speak.

I slunk away in a sort of shame,  
And so when we see a poppy worn,  
And if you were me , you would have done  
the same,

Let us reflect on the burden borne  
For our thanks in giving, is oft delayed,  
By those who gave their very all  
Though our freedom was bought-  
When asked to answer their country's call  
And thousands paid!  
That we at home in peace might live  
Then wear a poppy! Remember and give!

Everyone is welcome to join us for a friendly chat. We are observing social distancing.

If you haven't seen many people lately, then this is for you! Come when you want, if you want; no apologies or explanations needed; no strings attached ☺

Due to Covid restrictions, please bring your own mug, thermos, snack etc

## VACSWIM at Brinkworth Pool - 19th - 23rd December

Did you know;

If you sign up to be a Brinkworth Pool Key holder for the 2022/2023 season, you will get a \$21 discount off your VACSWIM enrolment (per child). WOW!!

When you complete the enrolment form online, be sure to say that you're a pass holder of this pool to activate this saving!

NB. Pool key holders will need to hold a current CPR certificate which the school will organise a training course for.
