

COVID-19 Policy

U-Turn Ranch is inspected by Public Health and Ontario Camping Association.

Prior to your week of camp, we will update you regarding the regulations for mask wearing, social distancing, program/activity restrictions and food services.

These guidelines may change without much notice, but we will do our best to educate you as soon as we are aware of changes.

All campers will be screened when entering the camp. U-Turn Ranch has the right and responsibility to deny entrance into camp should the camper have symptoms that point to COVID19. We ask that you let us know if your camper has come into contact with a positive COVID19 case within 3 weeks prior to their time at camp. We ask that campers do not travel out of country, 3 weeks prior to their week at camp. If there is any illness while at camp, we ask that your child is picked up as soon as possible.

Summer 2021 Camp saw changes such as campers staying within their cohorts, extra hand washing and extra cleaning protocols put in place. However, Camp was a success! We anticipate another great summer!
