JIMI THE
JOINT!

A WORD

Hi there!

Welcome back to Jimi the Joint #4. Even though I finished this issue in the summer of 2018 this is my Kickstarter issue. I want to give a big thank you to all the backers on Kickstarter. I hope you all enjoy the first 4 issues. Big shout out to Chris Bushey! Who backed the Gotti level on the Kickstarter campaign and got his face drawn on the cover of this issue.

I usually dedicate each issue to someone from pop culture that has inspired me but this time around I wanted to dedicate this issue to the memory of Dane Botfield. Dane was the older brother of a good friend of mine (who kind of looks like Mr. Biscuits). Dane passed away last year. He was a big comics fan and one of the few people I talked to about comics growing up. He will be missed.

I don't have much to say about the newest chapter in the JTJ saga, other than I have had this story in my head for years and have finally been able to have it make sense. So that got me excited to work on this issue.

I want to thank all the kind people that have reached out to me and told me how much they enjoyed the books so far.

Feel free to tweet me @couchcomics

Till next time.

"Dave's not here man."
